CONDITIONS After reviewing the above information and consulting with my retirement board, I apply to be reinstated into membership in the retirement system under the provisions of G.L. c. 32, § 105 as of the date that this form is signed (reinstatement date). ▶ To be read and signed by member

## **I UNDERSTAND:**

- My right to my superannuation/termination retirement allowance will cease as of my reinstatement date.
- I will be required to repay the gross amount of superannuation/termination retirement allowance that I have received to the date of reinstatement plus buyback interest. This payment will be made by my reinstatement date or I will have entered into a signed and binding repayment agreement with my retirement board by my reinstatement date. I may be able to rollover retirement funds to make this repayment. (I may contact my tax advisor for information on relevant tax provisions.)
- If I do not repay the amount of allowance that I have received plus buyback interest then the reinstatement service that I earn after my reinstatement may be prorated by my retirement board at the time of my subsequent retirement.
- My contribution rate after reinstatement will be the contribution rate in effect on my reinstatement date or the date of the waiver of my retirement allowance, whichever is earlier, and not necessarily the contribution rate that I paid when I last retired.
- I may purchase creditable service for eligible public employment that took place after my retirement and before my reinstatement (I may contact my retirement board for information on cost and my payment options for this buyback.)
- I must work five years of full-time employment after my reinstatement date in order to receive any increased benefits under G.L. c. 32, § 105.
