RE: Implementation of the Economic Provisions of the January 1, 2024 – December 31, 2026, Commonwealth – SEIU Local 509 Collective Bargaining Agreement

On May 10, 2024, the Commonwealth of Massachusetts's Human Resources Division signed a Labor Agreement with SEIU Local 509, Units 8 and 10, for the period of January 1, 2024 to December 31, 2026. Information and implementation instruction from the Human Resources Division (HRD), the Office of the Comptroller (CTR) and the Executive Office for Administration and Finance (A&F) are provided herein.

Questions regarding the provisions of the new Agreement should be directed to Matthew Hale, Deputy Director, HRD's Office of Employee Relations. INSTRUCTIONS FROM THE OFFICE OF THE COMPTROLLER

LCM Instructions

To ensure that funding is fully allocated to departments for the purposes of supporting payments described in this Memorandum, departments are urged to post payments in a fashion that takes advantage of LCM predictive reporting. Depending on the dates entered, postings in HR/CMS will be included on the LCM predictive reports, which are run each Sunday, Monday, and Thursday, and are available online via MobiusView the following mornings. Departments can monitor the payroll activity for all payroll accounts by viewing the following LCM Predictive Reports:

- NLCFAR1S Predictive Insufficient Funds Payroll Details
- NLCFAR2S Predictive Insufficient Funds Account Details
- NLCMASDS Appropriation Status Report

For all payments, LCM will distribute according to the default distribution record that corresponds to the posting date in HR/CMS. The posting date of Additional pay entries is the current open pay period.

Payments can also be redirected via labor exceptions if authorizing rules are in place. The exceptions must correspond to the posting date. Employees' distribution records and any modifications can be verified in the LCM Employee Activity Folder (EEAF).

Questions regarding LCM Instructions should be directed to the CTR Solution Desk at 617-973-2468.
