Mental Health Center Manual	<b>Transmittal Letter</b> MHC-51	<b>Date</b> 01/01/23

## 601 Service Codes and Descriptions

MassHealth pays for the services represented by the codes listed in Subchapter 6 in effect at the time of service, subject to all conditions and limitations in MassHealth regulations at 130 CMR 429.000, and 450.000.

### Service

#### Code-Modifier   Service Description

#### **Psychiatric Evaluation**

- 90791      Psychiatric diagnostic evaluation  
90791 HA    Psychiatric evaluation performed with a CANS (Children and Adolescent Needs and Strengths)

#### **Individual Therapy**

- 90832      Psychotherapy, 30 minutes with patient  
90833      Psychotherapy, 30 minutes with patient and/or family member when performed with an evaluation and management service (List separately in addition to the code for primary procedure.)  
90834      Psychotherapy, 45 minutes with patient  
90836      Psychotherapy, 45 minutes with patient and/or family member when performed with an evaluation and management service (List separately in addition to the code for primary procedure.)  
90837      Psychotherapy, 60 minutes with patient

#### **Couple/Family Therapy**

- 90846      Family psychotherapy (without the patient present), 50 minutes  
90847      Family psychotherapy (conjoint psychotherapy) (with patient present), 50 minutes  
90849      Multiple-family group psychotherapy (per person per session, not to exceed 10 clients)

#### **Group Therapy**

- 90853      Group psychotherapy (other than multiple-family group) (per person per session not to exceed 12 clients)  
90853 EP    Group psychotherapy (other than of a multiple-family group) (per person not to exceed 12 clients) (preventive behavioral health session)

#### **Case Consultation**

- 90882      Environmental intervention for medical management purposes on a psychiatric patient's behalf with agencies, employers, or institutions

#### **Family Consultation**

- 90887      Interpretation or explanation of results of psychiatric, other medical examinations

Commonwealth of Massachusetts MassHealth Provider Manual Series	Subchapter Number and Title 6. Service Codes and Descriptions	Page 6-2
Mental Health Center Manual	Transmittal Letter MHC-51	Date 01/01/23

and procedures, or other accumulated data to family or other responsible persons, or advising them how to assist patient

**Crisis Intervention for Youth Services (for youths up to 21 years of age only)**

- H2011-U1 Crisis intervention service, per 15 minutes. Youth Mobile Crisis intervention modifier for service provided by a Master Level Clinician (used with H2011 only)
- H2011-U2 Crisis intervention services, per 15 minutes. Youth Mobile Crisis intervention modifier for service provided by a paraprofessional (used with H2011 only)

**Psychotherapy for Crisis**

- 90839 Psychotherapy for crisis, first 60 minutes
- 90840 Psychotherapy for crisis, 30 minutes (List separately in addition to the code for primary procedure)

**Note:** Do not report 90839, 90840 in conjunction with 90791, psychotherapy codes 90832 through 90836, or other psychiatric services. Only use 90840 in conjunction with 90839.

**Emergency Service Program**

- S9485 Crisis interventional mental health services, per diem. (The ESP provides crisis assessment, intervention, and stabilization services 24 hours per day, seven days per week, and 365 days per year, to individuals of all ages who are experiencing a behavioral health crisis. The purpose of the ESP is to respond rapidly, assess effectively, and deliver a course of treatment intended to promote recovery, ensure safety, and stabilize the crisis in a manner that allows an individual to receive medically necessary services in the community, or if medically necessary, in an inpatient or 24-hour diversionary level of care (per 24-hour encounter))

**Specialty Services**

- S9480 Intensive outpatient psychiatric services, per diem H0015  
Alcohol and/or drug services; intensive outpatient (treatment program that operates at least 3 hours/day and at least 3 days/week and is based on an individualized treatment plan), including assessment, counseling; crisis intervention, and activity therapies or education (Structured Outpatient Addiction Program, 3.5 hours, not to exceed 2 units a day).
- H0015-TF Alcohol and/or drug services; intensive outpatient (treatment program that operates at least 3 hours/day and at least 3 days/week and is based on an individualized treatment plan), including assessment, counseling; crisis intervention, and activity therapies or education (Enhanced Structured Outpatient Addiction Program, 3.5 hours, not to exceed 2 units a day).
- H0046-HE Mental health services, not otherwise specified (Certified Peer Specialist Services).

(To view the rates for these services, please refer to [101 CMR 346.00: Rates for Certain Substance-Related and Addictive Disorders Programs.](#))

- H2016-HM Comprehensive community support program, per diem (Enrolled Client Day) (recovery support service by a recovery advocate trained in Peer Recovery Coaching)

<b>Commonwealth of Massachusetts MassHealth Provider Manual Series</b>	<b>Subchapter Number and Title</b> 6. Service Codes and Descriptions	<b>Page</b> 6-3

(To view the rates for these services, please refer to [101 CMR 444.00: Rates for Certain Substance Use Disorder Services.](#))

H2015-HF Comprehensive community support services, per 15 minutes (Recovery Support Navigator)

**Covid-19 Vaccine Codes**

- 91300 SL Pfizer-Biontech Covid-19 Vaccine (SARSCOV2 VAC 30MCG/0.3ML IM)
- 0001A Pfizer-Biontech Covid-19 Vaccine Administration – First Dose (ADM SARSCOV2 30MCG/0.3ML 1ST)
- 0002A Pfizer-Biontech Covid-19 Vaccine Administration – Second Dose (ADM SARSCOV2 30MCG/0.3ML 2<sup>ND</sup>)
- 0003A Pfizer-BioNTech Covid-19 Vaccine Administration – Third Dose
- 0004A Pfizer-BioNTech Covid-19 Vaccine Administration – Booster
- 91307 SL Pfizer-BioNTech Covid-19 Pediatric Vaccine
- 0071A Pfizer-BioNTech Covid-19 Pediatric Vaccine - Administration - First dose
- 0072A Pfizer-BioNTech Covid-19 Pediatric Vaccine - Administration - Second dose
- 91301 SL Moderna Covid-19 Vaccine (SARSCOV2 VAC 100MCG/0.5ML IM)
- 0011A Moderna Covid-19 Vaccine Administration – First Dose (ADM SARSCOV2 100MCG/0.5ML 1ST)
- 0012A Moderna Covid-19 Vaccine Administration – Second Dose (ADM SARSCOV2 100M0CG/0.5ML 2ND)
- 0013A Moderna Covid-19 Vaccine Administration – Third Dose
- 91306 SL Moderna Covid-19 Vaccine (Low Dose)
- 0064A Moderna Covid-19 Vaccine (Low Dose) Administration – Booster
- 91303 SL Janssen Covid-19 Vaccine (SARSCOV2 VAC AD26 .5ML IM)
- 0031A Janssen Covid-19 Vaccine Administration (ADM SARSCOV2 VAC AD26 .5ML)
- 0034A Janssen Covid-19 Vaccine Administration – Booster (ADM SARSCOV2 VAC AD26 .5ML)

**Evaluation and Management Codes**

Medication Visits—Services for medication visits shall be billed using the following appropriate Evaluation and Management Codes.

**New Patient**

- 99202 Office or other outpatient visit for the evaluation and management of a new patient, which requires a medically appropriate history and/or examination and straightforward medical decision making. When using time for code selection, 15-29 minutes of total time is spent on the date or the encounter.
- 99203 Office or other outpatient visit for the evaluation and management of a new patient, which requires a medically appropriate history and/or examination and straightforward medical decision making. When using time for code selection, 30-44 minutes of total time spent on the date of the encounter.
- 99204 Office or other outpatient visit for the evaluation and management of a new patient, which requires a medically appropriate history and/or examination and straightforward medical decision making. When using time for code selection, 45-59 minutes of total time spent on the date of the encounter.
- 99205 Office or other outpatient visit for the evaluation and management of a new patient, which

<p align="center"><b>Commonwealth of Massachusetts MassHealth Provider Manual Series</b></p>	<p align="center"><b>Subchapter Number and Title</b> 6. Service Codes and Descriptions</p>	<p align="center"><b>Page</b> 6-4</p>
<p align="center">Mental Health Center Manual</p>	<p align="center"><b>Transmittal Letter</b> MHC-51</p>	<p align="center"><b>Date</b> 01/01/23</p>

requires a medically appropriate history and/or examination and straightforward medical decision making. When using time for code selection, 60-74 minutes of total time spent on the date of the encounter.

**Established Patient**

- 99211 Office or other outpatient visit for the evaluation and management of an established patient that may not require the presence of a physician. Usually, the presenting problem(s) are minimal.
- 99212 Office or other outpatient visit for the evaluation and management of an established patient, which requires a medically appropriate history and/or examination and straightforward medical decision making. When using time for code selection, 10-19 minutes of total time spent on the date of the encounter.
- 99213 Office or other outpatient visit for the evaluation and management of an established patient, which requires a medically appropriate history and/or examination and straightforward medical decision making. When using time for code selection, 20-29 minutes of total time spent on the date of the encounter.
- 99214 Office or other outpatient visit for the evaluation and management of an established patient, which requires a medically appropriate history and/or examination and straightforward medical decision making. When using time for code selection, 30-39 minutes of total time spent on the date of the encounter.
- 99215 Office or other outpatient visit for the evaluation and management of an established patient, which requires a medically appropriate history and/or examination and straightforward medical decision making. When using time for code selection, 40-54 minutes of total time spent on the date of the encounter.
- 99417 Prolonged office or other outpatient evaluation and management service(s) beyond the minimum required time of the primary procedure which has been selected using total time, requiring total time with or without direct patient contact beyond the usual service, on the date of the primary service, each 15 minutes of total time (List separately in addition to codes 99205, 99215 for office or other outpatient Evaluation and Management services)

**Nursing Facility Care–New Patient**

- 99304 Initial nursing facility care, per day, for the evaluation and management of a patient, which requires these three key components: a detailed or comprehensive history; a detailed or comprehensive examination; and medical decision making that is straightforward or of low complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the problem(s) requiring admission are of low severity. Physicians typically spend 25 minutes at the bedside and on the patient's facility floor or unit.
- 99305 Initial nursing facility care, per day, for the evaluation and management of a patient, which requires these three key components: a comprehensive history; a comprehensive examination; and medical decision making of moderate complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the problem(s) requiring admission are of moderate severity. Physicians typically spend 35 minutes at the bedside and on the patient's facility floor or unit.

Commonwealth of Massachusetts MassHealth Provider Manual Series	Subchapter Number and Title 6. Service Codes and Descriptions	Page 6-5
Mental Health Center Manual	Transmittal Letter MHC-51	Date 01/01/23

99306 Initial nursing facility care, per day, for the evaluation and management of a patient, which requires these three key components: a comprehensive history; a comprehensive examination; and medical decision making of high complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the problem(s) requiring admission are of high severity. Physicians typically spend 45 minutes at the bedside and on the patient's facility floor or unit.

**Subsequent Nursing Facility Care**

99307 Subsequent nursing facility care, per day, for the evaluation and management of a patient, which requires at least two of these three key components: a problem-focused interval history; a problem-focused examination; straightforward medical decision making. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the patient is stable, recovering, or improving. Physicians typically spend 10 minutes at the bedside and on the patient's facility floor or unit.

99308 Subsequent nursing facility care, per day, for the evaluation and management of a patient, which requires at least two of these three key components: an expanded problem-focused interval history; an expanded problem-focused examination; medical decision making of low complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the patient is responding inadequately to therapy or has developed a minor complication. Physicians typically spend 15 minutes at the bedside and on the patient's facility floor or unit.

99309 Subsequent nursing facility care, per day, for the evaluation and management of a patient, which requires at least two of these three key components: a detailed interval history; a detailed examination; medical decision making of moderate complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the patient has developed a significant complication or a significant new problem. Physicians typically spend 25 minutes at the bedside and on the patient's facility floor or unit.

99310 Subsequent nursing facility care, per day, for the evaluation and management of a patient, which requires at least two of these three key components: a comprehensive interval history; a comprehensive examination; medical decision making of high complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. The patient may be unstable or may have developed a significant new problem requiring immediate physician attention. Physicians typically spend 35 minutes at the bedside and on the patient's facility floor or unit.

**Rest Home–New Patient**

99324 Domiciliary or rest home visit for the evaluation and management of a new patient, which requires these three key components: a problem-focused history; a problem-focused examination; and straightforward medical decision making. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the

Commonwealth of Massachusetts MassHealth Provider Manual Series	Subchapter Number and Title 6. Service Codes and Descriptions	Page 6-6
Mental Health Center Manual	Transmittal Letter MHC-51	Date 01/01/23

- presenting problem(s) are of low severity. Physicians typically spend 20 minutes with the patient and/or family or caregiver.
- 99325 Domiciliary or rest home visit for the evaluation and management of a new patient, which requires these three key components: an expanded problem-focused history; an expanded problem-focused examination; and medical decision making of low complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the presenting problem(s) are of moderate severity. Physicians typically spend 30 minutes with the patient and/or family or caregiver.
- 99326 Domiciliary or rest home visit for the evaluation and management of a new patient, which requires these three key components: a detailed history; a detailed examination; and medical decision making of moderate complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the presenting problem(s) are of moderate to high severity. Physicians typically spend 45 minutes with the patient and/or family or caregiver.
- 99327 Domiciliary or rest home visit for the evaluation and management of a new patient, which requires these three key components: a comprehensive history; a comprehensive examination; and medical decision making of moderate complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the presenting problem(s) are of high severity. Physicians typically spend 60 minutes with the patient and/or family or caregiver.
- 99328 Domiciliary or rest home visit for the evaluation and management of a new patient, which requires these three key components: a comprehensive history; a comprehensive examination; and medical decision making of high complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the patient is unstable or has developed a significant new problem requiring immediate physician attention. Physicians typically spend 75 minutes with the patient and/or family or caregiver.

**Rest Home—Established Patient**

- 99334 Domiciliary or rest home visit for the evaluation and management of an established patient, which requires at least two of these three key components: a problem-focused interval history; a problem-focused examination; straightforward medical decision making. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the presenting problem(s) are self-limited or minor. Physicians typically spend 15 minutes with the patient and/or family or caregiver.
- 99335 Domiciliary or rest home visit for the evaluation and management of an established patient, which requires at least two of these three key components: an expanded problem-focused interval history; an expanded problem-focused examination; medical decision making of low complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the presenting problem(s) are of low to moderate severity. Physicians typically spend 25 minutes with the patient and/or family or caregiver.
- 99336 Domiciliary or rest home visit for the evaluation and management of an established

Commonwealth of Massachusetts MassHealth Provider Manual Series	Subchapter Number and Title 6. Service Codes and Descriptions	Page 6-7
Mental Health Center Manual	Transmittal Letter MHC-51	Date 01/01/23

- 99337 patient, which requires at least two of these three key components: a detailed interval history; a detailed examination; medical decision making of moderate complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the presenting problem(s) are of moderate to high severity. Physicians typically spend 40 minutes with the patient and/or family or caregiver.
- 99337 Domiciliary or rest home visit for the evaluation and management of an established patient, which requires at least two of these three key components: a comprehensive interval history; a comprehensive examination; medical decision making of moderate to high complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the presenting problem(s) are of moderate to high severity. The patient may be unstable or may have developed a significant new problem requiring immediate physician attention. Physicians typically spend 60 minutes with the patient and/or family or caregiver.

**Home Visits–New Patient**

- 99341 Home visit for the evaluation and management of a new patient, which requires these three key components: a problem-focused history; a problem-focused examination; and straightforward medical decision making. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the presenting problem(s) are of low severity. Physicians typically spend 20 minutes face-to-face with the patient and/or family.
- 99342 Home visit for the evaluation and management of a new patient, which requires these three key components: an expanded problem-focused history; an expanded problem-focused examination; and medical decision making of low complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the presenting problem(s) are of moderate severity. Physicians typically spend 30 minutes face-to-face with the patient and/or family.
- 99343 Home visit for the evaluation and management of a new patient, which requires these three key components: a detailed history; a detailed examination; and medical decision making of moderate complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the presenting problem(s) are of moderate to high severity. Physicians typically spend 45 minutes face-to-face with the patient and/or family.
- 99344 Home visit for the evaluation and management of a new patient, which requires these three key components: a comprehensive history; a comprehensive examination; and medical decision making of moderate complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the presenting problem(s) are of high severity. Physicians typically spend 60 minutes face-to-face with the patient and/or family.
- 99345 Home visit for the evaluation and management of a new patient, which requires these three key components: a comprehensive history; a comprehensive examination; and medical decision making of high complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the

problem(s) and the patient's and/or family's needs. Usually, the patient is unstable or has developed a significant new problem requiring immediate physician attention. Physicians typically spend 75 minutes face-to-face with the patient and/or family.

### **Home Visit—Established Patient**

- 99347 Home visit for the evaluation and management of an established patient, which requires at least two of these three key components: a problem-focused interval history; a problem-focused examination; straightforward medical decision making. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the presenting problem(s) are self-limited or minor. Physicians typically spend 15 minutes face-to-face with the patient and/or family.
- 99348 Home visit for the evaluation and management of an established patient, which requires at least two of these three key components: an expanded problem-focused interval history; an expanded problem-focused examination; medical decision making of low complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the presenting problem(s) are of low to moderate severity. Physicians typically spend 25 minutes face-to-face with the patient and/or family.
- 99349 Home visit for the evaluation and management of an established patient, which requires at least two of these three key components: a detailed interval history; a detailed examination; medical decision making of moderate complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the presenting problem(s) are moderate to high severity. Physicians typically spend 40 minutes face-to-face with the patient and/or family.
- 99350 Home visit for the evaluation and management of an established patient, which requires at least two of these three key components: a comprehensive interval history; a comprehensive examination; medical decision making of moderate to high complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the presenting problem(s) are of moderate to high severity. The patient may be unstable or may have developed a significant new problem requiring immediate physician attention. Physicians typically spend 60 minutes face-to-face with the patient and/or family.

### **Psychological Assessment**

(To view the rates for these services, please refer to [101 CMR 329.00: Rates for Psychological and Independent Clinical Social Work Services.](#))

- 96116 Neurobehavioral status exam (clinical assessment of thinking, reasoning and judgement, *e.g.*, acquired knowledge, attention, language, memory, planning and problem solving, and visual spatial abilities), by physician or other qualified health care professional, both face-to-face time with the patient and time interpreting test results and preparing the report; first hour.
- 96121 Each additional hour. (List separately in addition to code for primary procedure.) (Add-on code to 96116.)
- 96130 Psychological testing evaluation services by physician or other qualified health care

<b>Commonwealth of Massachusetts MassHealth Provider Manual Series</b>	<b>Subchapter Number and Title</b> 6. Service Codes and Descriptions	<b>Page</b> 6-9
Mental Health Center Manual	<b>Transmittal Letter</b> MHC-51	<b>Date</b> 01/01/23

professional, including integration of patient data, interpretation of standardized test results and clinical data, clinical decision making, treatment planning and report and interactive feedback to the patient, family member(s) or caregiver(s), when performed; first hour.

- 96131 Each additional hour. (List separately in addition to code for primary procedure.) (Add-on code to 96130.)
- 96132 Neuropsychological testing evaluation services by physician or other qualified health care professional, including integration of patient data, interpretation of standardized test results and clinical data, clinical decision making, treatment planning and report and interactive feedback to the patient, family member(s) or caregiver(s), when performed; first hour.
- 96133 Each additional hour. (List separately in addition to code for primary procedures.) (Add-on code to 96132.)
- 96136 Psychological or neuropsychological test administration and scoring by physician or other qualified health care professional, two or more tests, any method; first 30 minutes.
- 96137 Each additional 30 minutes. (List separately in addition to code for primary procedure.) (Add-on code to 96136.)
- 96138 Psychological or neuropsychological test administration and scoring by technician, two or more tests, any method; first 30 minutes.
- 96139 Psychological or neuropsychological test administration and scoring by technician, two or more tests, any method; each additional 30 minutes. (List separately in addition to code for primary procedure.) (Add-on code to 96138.)

## 602 Service Code Modifiers and Descriptions

<u>Modifier</u>	<u>Modifier Description</u>
-25	Significant, separately identifiable Evaluation and Management Service by the same physician or other qualified health professional on the same day of the procedure or other service. Modifier '-25' applies to two E/M services provided on the same day.
-59	Distinct Procedure Service. To identify a procedure distinct or independent from other services performed on the same day add the modifier '-59' to the end of the appropriate service code. Modifier '-59' is used to identify services/procedures that are not normally reported together but are appropriate under certain circumstances. However, when another already established modifier is appropriate, it should be used rather than modifier '-59'.
-AF	Specialty physician (This modifier is to be applied to service codes billed by the mental health center which were performed by a psychiatrist)
-AH	Clinical psychologist (This modifier is to be applied to service codes billed by the mental health center which were performed by doctoral level clinician, including PhD, PsyD, EdD)
-GJ	Opt-out physician or practitioner emergency or urgent service. (Urgent Care services. To identify services provided by Mental Health Centers that are designated as Behavioral Health Urgent Care provider sites.)
-HA	Service Code 90791 must be accompanied by this modifier to indicate that the Child and Adolescent Needs and Strengths (CANS) is included in the psychiatric diagnostic interview examination. This modifier may be billed only by psychiatrists or psychiatric clinical nurse specialists.
-HE	Mental health program (Certified Peer Specialist Services)
-HL	Intern (This modifier is to be applied to service codes billed by the mental health center

<b>Commonwealth of Massachusetts MassHealth Provider Manual Series</b>	<b>Subchapter Number and Title</b> 6. Service Codes and Descriptions	<b>Page</b> 6-10
Mental Health Center Manual	<b>Transmittal Letter</b> MHC-51	<b>Date</b> 01/01/23

which were performed by intern level clinicians, including Post-Doctoral Fellows and Psychology Interns, Post-Master's Mental Health Counselors and Mental Health Counselor Interns, Post-Master's Marriage and Family Therapist, Licensed Alcohol and Drug Counselor IIs (LADC II), Certified Addiction Counselor / Certified Alcohol & Drug Abuse Counselor)

- HO Master's degree level (This modifier is to be applied to service codes billed by the mental health center which were performed by Master's level clinician, including Licensed Clinical Social Workers (LCSWs), Licensed Independent Clinical Social Workers (LICSWs), Licensed Alcohol and Drug Counselor I, Licensed Mental Health Counselor, Licensed Marriage and Family Therapist)
- EP Group psychotherapy modifier for preventive behavioral health session (only used with 90853)
- SA Nurse Practitioner rendering service in collaboration with a physician. (This modifier is to be applied to service codes billed by the mental health center which were performed by a psychiatric nurse mental health clinical specialist.)
- SL State supplied vaccine or antibodies (This modifier must be applied to codes 91300, 91301, 91303, 91306, and 91307 to identify administration of vaccines or antibodies provided at no cost, whether by the Massachusetts Department of Public Health; another federal, state, or local agency; or a vaccine manufacturer. If the providers receive the vaccine from one of these sources at no cost, providers must bill the code for the vaccine itself, with modifier SL, and the associated code for administration of the vaccine.)
- U1 Youth Mobile Crisis intervention modifier for service provided by a Master Level Clinician (only used with H2011)
- U2 Youth Mobile Crisis intervention modifier for service provided by a paraprofessional (only used with H2011)

603 Telephonic Service Codes and Descriptions

Service

Code-Modifier Service Description

- 98966 Telephone assessment and management service provided by a qualified non physician care professional to an established patient, parent, or guardian not originating from a related assessment and management service provided within the previous 7 days not leading to an assessment and management service or procedure within the next 24 hours or soonest available appointment; 5-10 minutes of medical discussion.
- 98967 Telephone assessment and management service provided by a qualified non physician care professional to an established patient, parent, or guardian not originating from a related assessment and management service provided within the previous 7 days not leading to an assessment and management service or procedure within the next 24 hours or soonest available appointment; 11-20 minutes of medical discussion.
- 98968 Telephone assessment and management service provided by a qualified non physician care professional to an established patient, parent, or guardian not originating from a related assessment and management service provided within the previous 7 days not leading to an assessment and management service or procedure within the next 24 hours or soonest available appointment; 21-30 minutes of medical discussion.
- 99441 Telephone evaluation and management services by a physician or other qualified Health care professional who may report evaluation and management services Provided to an established patient, parent, or guardian not originating from a related E/M service provided within the previous 7 days nor leading to an E/M service or procedure
