

# Massachusetts Department of Environmental Protection Bureau of Waste Prevention Return to Compliance Plan for Mercury-Added Product Manufacturers

20	
Calendar Year	
<b>Business Name</b>	

### Instructions

This form is due to MassDEP on March 31 following the calendar year for which you are certifying. Return this form and additional attachments, if needed, along with your completed certification form to:

MassDEP Mercury Products Program One Winter Street, 7th Floor Boston, MA 02108

### Important:

When filling out forms on the computer, use only the tab key to move your cursor - do not use the return key.

### Note:

Continue your answer(s) on a separate attachment if you need more space.

## 1. Compliance with Collection and Recycling Plan Requirements

a. If you answered NO to Certification Form Section C, Question 1:

Prepare a Plan for Collection and Recycling of Mercury-Added Products that contains the information required by 310 CMR 75.04(6). Submit your Plan with this Return to Compliance Plan and your completed Certification Form.

b. If you answered NO to Certification Form Section C, Question 2:

Propose a deadline to fully implement all provisions of your Collection and Recycling Plan: Date (MM/DD/YYYY)

c. If you answered YES to Certification Form Section C, Question 3 or 4:

Your Collection and Recycling Plan must be updated for the certification year. Submit an Update to MassDEP as an amendment to the Collection and Recycling Plan already on file. Your Update should describe any changes you made to your Collection and Recycling Plan, or with respect to the mercury-added products that you sold, offered for sale, or distributed in Massachusetts. Describe how these changes demonstrate compliance with 310 CMR 75.04(6). As a reminder, MassDEP's guidance and instructions for Collection and Recycling Plans can be found at: http://www.mass.gov/dep/service/online/erpforms.htm#products

# 2. Target Recycling Rate

If you answered NO to Certification Form Section E, Question 1:  Describe what additional or alternative actions will be implemented to improve your collection and recycling program and its operation in order to meet the target recycling rate. Continue on a separate sheet of paper, if necessary.

## 3. Records Retention

If you answered NO to Certification Form Section F, Question 1:  Describe how you will maintain records that: (1) demonstrate compliance with 310 CMR 75.00 and (2)provide the information you relied upon to file your Collection and Recycling Plan. Continue on a separate sheet of paper, if necessary.

## 4. IMERC Notification

If you answered NO to Certification Form Section G, Question 1:

You must notify IMERC and include a confirmation of notification with this Return to Compliance Plan.

5. Return to Compliance	Date
-------------------------	------

Propose a date that you will be in compliance after completing all required corrective actions:

Date (MM/DD/YYYY)
