However, prior to convening a public hearing the Issuing Authority shall review all evidence to be provided by the Licensee in support of its position to determine the likelihood of such a negative financial impact. If such a

determination is made the Issuing Authority shall convene said hearing within thirty (30) days of receipt of a hearing request from Licensee.

- (i) Along with said written request, Licensee shall provide the Issuing Authority with a written basis and written reasons for its determination of such negative impact. At the public hearing, the Issuing Authority shall afford Licensee an opportunity to present the basis and the reasons for its determination. Licensee shall provide the Issuing Authority with such financial and other relevant information as is reasonably requested.
- (ii) Should Licensee demonstrate that the Cable Service(s) of such Person(s) is having a negative financial impact upon Licensee's Cable System operations in the City; the Issuing Authority shall make equitable amendments to this Renewal License.

(b) cure any such default (and provide written evidence of the same), or, in the event that by nature of the default, such default cannot be cured within such thirty (30) day period, to take reasonable steps to cure said default and diligently continue such efforts until said default is cured. Licensee shall report to the Issuing Authority, in writing, by certified mail, at forty-five (45) day intervals as to Licensee's efforts, indicating the steps taken by Licensee to cure said default and reporting Licensee's progress until such default is cured.

(c) In the event that (i) Licensee fails to respond to such notice of default; and/or (ii) Licensee fails to cure the default or to take reasonable steps to cure the default within the required forty-five (45) day period; the Issuing Authority or its designee shall promptly schedule a public hearing no sooner than fourteen (14) days after written notice, by certified mail, to Licensee. Licensee

shall be provided reasonable opportunity to offer evidence, question witnesses, if any, and be heard at such public hearing.

(d) Within thirty (30) days after said public hearing, the Issuing Authority shall issue a written determination of its findings. In the event that the Issuing Authority determines that Licensee is in such default, the Issuing Authority may determine to pursue any lawful remedy available to it.

(e) In the event that (i) the Issuing Authority fails to issue a written reply within 30 days accepting or rejecting Licensees' response pursuant to 9.8(a) above; (ii) the Issuing Authority fails to issue a written acknowledgement after Licensee's notice that it cured said default pursuant to 9.8(b) above; and/or (iii) the Issuing Authority fails to schedule a public hearing no later than thirty (30) days of having sent a written notice consistent with Section 9.8(c) above and/or (iv) the Issuing authority fails to issue a written determination with thirty (30) days after the public hearing pursuant to Section 9.8(d) above , then the issue of said default against Licensee by the Issuing Authority shall be considered null and void.

## **SECTION 9.9 – LIQUIDATED DAMAGES**

(a) For the violation of either of the following provisions of this Renewal License, liquidated damages shall be paid by the Licensee to the Issuing Authority; provided, however, that liquidated damages cannot be imposed unless and until the Issuing Authority has followed the notice and cure provisions in Section 9.8 above. Any such liquidated damages shall only be assessed, after a full finding of default according to the provisions of Section 9.8, effective beginning as of the date of a public hearing on the notice of default scheduled by the Issuing Authority in accordance with Section 9.8 above:

(1) for failure to operate and maintain the Cable System, in accordance with Sections 3.1 and 4.1, two hundred fifty dollars (\$250.00) per day, for each day that such non-compliance continues; and

(2) for failure to provide the Institutional Network in accordance with Section 3.3 herein, two hundred and fifty dollars (\$250.00) per day that any such non-compliance continues.

(b) Such liquidated damages shall be in addition to, and not a limitation upon, any other provisions of this Renewal License and applicable law, including revocation, or any other statutorily or judicially imposed penalties or remedies; provided, however, that in the event that the Issuing Authority collects liquidated damages for a specific breach pursuant to Section 9.9(a) above, the collection of such liquidated damages shall be deemed to be the exclusive remedy for said specific breach.

(c) Licensee shall have thirty (30) days from receipt of written notice from the Issuing Authority to pay the liquidated damages; provided, however, that Licensee may appeal (by pursuing administrative, judicial or other relief afforded by the Issuing Authority) any assessment of liquidated damages within thirty (30) days of receiving written notice of the assessment.

(d) Each of the above-mentioned cases of non-compliance in this Section 9.9(a)(1) and 9.9(a)(2) shall result in damage to the Town, its residents, businesses and institutions, compensation for which will be difficult to ascertain. The Licensee agrees that the liquidated damages in the amounts set forth above are fair and reasonable compensation for such damage. The Licensee agrees that said foregoing amounts are liquidated damages, not a penalty for forfeiture, and are within one or more exclusions to the term “franchise fee” provided by Section 622(g)(2)(A)-@) of the Cable Act.

## **SECTION 9.10 - TRANSFER OR ASSIGNMENT**

This Renewal License or control hereof shall not be transferred or assigned without the prior written consent of the Issuing Authority, which consent shall not be arbitrarily or unreasonably withheld. The consent of the Issuing Authority shall be given only after a hearing upon written application therefor on forms prescribed by the Cable Division. Pursuant to 207 CMR 4.01(2), a transfer or assignment of a license or control thereof between commonly controlled entities, between affiliated companies, or between parent and subsidiary corporations, shall not constitute a transfer or assignment of a license or control thereof under M.G.L.c.166A Section 7. Under 207 CMR 4.00, an “affiliated company” is any person or entity that directly or

indirectly or through one or more intermediaries, controls, is controlled by, or is under common control with another person or entity. The application for consent to an assignment or transfer shall be signed by Licensee and by the proposed assignee or transferee or by their representatives, evidence of whose authority shall be submitted with the application. Within thirty (30) days of receiving a request for consent, the Issuing Authority shall, in accordance with State and FCC rules and regulations, notify Licensee in writing of the additional information, if any, it requires to determine the legal, financial, technical and managerial qualifications of the transferee or new controlling party. If the Issuing Authority has not taken action on Licensee's request for consent within one hundred twenty (120) days after receiving such request, consent shall be deemed given.

#### **SECTION 9.11 - REMOVAL OF SYSTEM**

Upon termination of this Renewal License or of any renewal hereof by passage of time or otherwise, Licensee shall remove its supporting structures, poles, transmission and distribution systems and other appurtenances from the streets, ways, lanes, alleys, parkways, bridges, highways, and other public and private places in, over, under, or along which they are installed and shall restore the areas to their original condition. If such removal is not completed within six (6) months of such termination, the Issuing Authority or property owner may deem any property not removed as having been abandoned.

#### **SECTION 9.12 - INCORPORATION BY REFERENCE**

(a) All presently and hereafter applicable conditions and requirements of federal, state and local laws, including but not limited to M.G.L.c. 166A, and the rules and regulations of the FCC and the Cable Division, as they may be amended from time to time, are incorporated herein by reference, to the extent not enumerated herein. All such general laws, rules, and regulations, as amended, shall control the interpretation and performance of this Renewal License to the extent

that any provision of this Renewal License conflicts with or is inconsistent with such laws, rules or regulations.

(b) Should the Commonwealth of Massachusetts, the federal government or the FCC require Licensee to perform or refrain from performing any act the performance or non-performance of which is inconsistent with any provisions herein, the Issuing Authority and Licensee will thereupon, if they determine that a material provision herein is affected, modify any of the provisions herein to reflect such government action.

#### **SECTION 9.13 - NO THIRD PARTY BENEFICIARIES**

Nothing in this Renewal License is intended to confer third-party beneficiary status on any member of the public to enforce the terms of this Renewal License.
