

# MA Farmland Action Plan – Drop-In Session for Potential Partners

## Notes from online discussion on 12/08/2025

### Context

On Monday, December 8, 2025 at 1pm Katharine Otto hosted a drop-in session for potential partners (people who may help with implementation of the plan). The meeting had no presentation – instead the content was guided by questions and comments from attendees. While still open to general conversation, through the invitations Katharine encouraged discussion about edits to the matrix at the drop in sessions. The drop in sessions are organized as an easy way to connect in, anticipating that recent discussions and new resources may have sparked additional thoughts. The primary audience was potential partners.
