The Licensee's FTTP Network is subject to M.G.L. c. 166 and as such is subject to regulation by the Town consistent with that law. The Licensee shall adhere to all applicable local bylaws and lawful regulations of the Town regarding Public Rights-of-Way and public works matters, including rights-of-way management requirements with regard to public safety, aesthetics, pole attachments and other legitimate municipal concerns. Nothing in this Section 2.1 shall be deemed to prohibit the right of the Licensee to challenge the legality of such local bylaws, regulations and requirements, or the right of the Issuing Authority to oppose any such challenge. Consistent with and subject to the Licensee's existing authority to operate in the Public Rights-of-Way, grant of this License does not establish priority for use over other present or future permit holders or the Town's own use of Public Rights-of-Way. Any disputes between the Licensee and other parties regarding use of the Public Rights-of-Way shall be resolved in accordance with applicable law and regulations.

Any modification of the License pursuant to the terms of this section shall not trigger the requirements of 207 CMR 3.07.

b. terminating the License within two (2) years from written notice to the Issuing Authority;

c. if agreed by both parties, submitting the matter to commercial arbitration by a mutually-selected arbitrator in accordance with the rules of the American Arbitration Association; or

d. submitting the matter to mediation by a mutually-acceptable mediator.

2.5.4. PEG Access Support payments under this License shall be modified in accordance with the terms and conditions set forth in Sections 5.3 hereunder.

2.9. *No Waiver:*

2.9.1. The failure of the Issuing Authority on one or more occasions to exercise a right or to require compliance or performance under this License, M.G.L. Chapter 166A or any other applicable law shall not be deemed to constitute a waiver of such right or a waiver of compliance or performance by the Issuing Authority, nor to excuse the Licensee from complying or performing, unless such right or such compliance or performance has been specifically waived in writing.

2.9.2. The failure of the Licensee on one or more occasions to exercise a right under this License or applicable law, or to require performance under this License, shall not be deemed to constitute a waiver of such right or of performance of this License, nor shall it excuse the Issuing Authority from performance, unless such right or performance has been specifically waived in writing.

2.10. *Construction of License:*

2.10.1. The provisions of this License shall be liberally construed to effectuate their objectives.

Any such police powers exercised by the Town in contravention of the preceding sentence shall be of no effect with respect to this License.

2.12. *Transfer of the License:*

2.12.1. Subject to Section 617 of the Communications Act, M.G.L. Chapter 166A and Section 2.11.2 below, the Licensee shall not transfer this License without the prior consent of the Issuing Authority, provided that such consent shall not be arbitrarily or unreasonably withheld, delayed or conditioned. If the Issuing Authority has not taken final action within such one hundred twenty (120) day period, then the application shall be deemed approved, unless said one hundred twenty (120) day period is extended by mutual consent of the parties.

2.12.2. The Licensee shall not be required to obtain the Issuing Authority's consent to transfer this License in connection with any transaction that does not constitute a transfer of control under applicable State laws and regulations, including, without limitation, the following: (i) (A) a transfer of an ownership or other interest in the Licensee to the parent of the Licensee or to another Affiliate of the Licensee; (B) transfer or assignment of this License or control thereof to the parent of the Licensee or to another Affiliate of the Licensee; (C) any action which is the result of a merger of the parent of the Licensee; or (D) any action which is the result of a merger of another Affiliate of the Licensee; or (ii) in connection with a transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Licensee in this License or the Cable System in order to secure indebtedness; provided, however, that to the extent that any of the foregoing transactions are determined to constitute a transfer of control pursuant to 207 CMR 4.01, then such transaction shall be subject to the Cable Division's transfer regulations (207 CMR 4.00, et. seq.).

2.12.3. Pursuant to 207 CMR 4.04, as may be amended, and applicable federal law, in considering a request to transfer control of this License, the Issuing Authority may consider only the transferee's management experience, technical expertise, financial capability and legal ability to operate the Cable System under this License, and any other criteria allowable under applicable law and/or regulation.

2.12.4. The consent or approval of the Issuing Authority to a transfer of this License shall not constitute a waiver or release of the rights of the Town under this License.

As of the Effective Date, the programming on the HD PEG Access Channel is distinct programming. The Issuing Authority or the PEG Access Designee may change the programming on the HD PEG Access Channel to simulcast programming upon one hundred (180) days prior written notice from the Issuing Authority to the Licensee, which change shall not occur more than once during the License term. Only to the extent permitted by law, the Licensee shall be allowed to recover from Subscribers applicable costs incurred to transmit HD PEG Access Channel programming of any type.

5.1.2. All programming content for the HD PEG Access Channel shall be transmitted to Licensee in HD-SDI format with a resolution of 720p or 1080i. Licensee reserves the right to reassign channel number and location for any or all of the PEG Access Channels at any time during the term. The Issuing Authority expressly acknowledges that an HD PEG Access Channel may not be available at all times during the term of this License on Licensee's Basic Service Tier and that in order to view the HD PEG Access Channel, a Subscriber may be required to upgrade equipment at an additional charge.

5.1.3. The Licensee may carry PEG Access Programming within and outside the Town's jurisdictional boundaries, provided that PEG Access Programming from outside the Town which is carried in the Town shall not be cablecast on any of the PEG Access Channels made available to the Issuing Authority and/or the PEG Access Designee pursuant to Section 5.1.1 above. If a PEG Access Channel provided under this Article is not being utilized by the Issuing Authority and/or the PEG Access Designee, the Licensee may utilize such PEG Access Channel by providing at least sixty (60) days advance written notice to the Issuing Authority. In the event that the Issuing Authority and/or the PEG Access Designee determines to use such PEG Access capacity for PEG Access purposes, the Issuing Authority shall have the right to utilize such PEG Access Channel by providing at least sixty (60) days advance written notice to the Licensee.

### *5.2. PEG Interconnection and Cablecasting:*

5.2.1. The Licensee shall continue to connect at the Milford Access Studio at 138 South Main Street, Suite 2, Milford MA (the "PEG Access Interconnection Site") in order to cablecast the PEG Access Channels. The Issuing Authority or, if designated by the Issuing Authority in writing to Licensee, the PEG Access Designee, shall be required to pay Licensee for all costs associated with: (i) any equipment upgrade where the need for the upgrade is initiated by the Issuing Authority or PEG Access Designee; (ii) relocating any connection where the need for relocation is initiated by the Issuing Authority or the PEG Access Designee; (iii) re-installing and/or replacing any connection at an existing location where the need for such re-installation and/or replacement is initiated by the Issuing Authority or the PEG Access Designee; or (iv) installing any new connection if initiated by the Issuing Authority or the PEG Access Designee;

provided, however, that Issuing Authority and/or PEG Access Designee responsibility for the foregoing costs is subject to the Issuing Authority's express written consent, and subject further to Licensee's prior disclosure of such costs and prior consent to same by the Issuing Authority or the PEG Access Designee.

5.2.2. The demarcation point between the Licensee's signal processing equipment (which the Licensee shall own, install and maintain) and the Town's PEG equipment shall be at the output of the Town's signal processing equipment at the PEG Access Interconnection Site. The Town and/or the PEG Access Designee shall be solely responsible for operating its switching equipment and the picture and audio quality of all PEG access programming up to the demarcation point and for ensuring all PEG access programming is inserted on the appropriate upstream PEG Access Channel. All PEG access programming shall be transmitted to the Licensee in baseband, SD-SDI or HD-SDI format with either mono or stereo audio signals, and with signals received by Licensee in stereo cablecast by Licensee in stereo. Notwithstanding the foregoing, the Licensee shall not be obligated to provide the Town or PEG Access Designee with either cablecast equipment and facilities or the personnel responsible for maintaining and operating equipment and facilities on the Town's side of the demarcation point and used to generate or administer any PEG Access Channel signals, except as necessary to implement the Licensee's responsibilities specified herein. The Issuing Authority and the Licensee shall work together in good faith to resolve any connection issues. If the Issuing Authority issues a license to, or renews a license with, a competing VSP, the competing VSP may not connect its system to Licensee's System for the purposes of obtaining PEG access programming from the PEG Access Channels transmitted on Licensee's System without Licensee's prior written consent.

5.3. *PEG Grant and PEG Access Support:*

5.3.1. Licensee shall pay to the Issuing Authority or the PEG Access Designee, if designated in writing by the Issuing Authority, a grant to be used for PEG Access Channel capital funding purposes in the total amount of Two Hundred Thirty-Four Thousand Dollars (\$234,000) (the "PEG Grant"), as follows: Within forty-five (45) days of the Effective Date, Licensee shall pay to the Issuing Authority the sum of Seventy-Eight Thousand Dollars (\$78,000). Two additional payments in the same dollar amount of Seventy-Eight Thousand Dollars (\$78,000) each shall be paid by the Licensee to the Issuing Authority or the PEG Access Designee, if so designated, on the first and second anniversaries of the Effective Date. The Issuing Authority and/or PEG Access Designee, as determined by the Issuing Authority, shall own all facilities and equipment purchased with the PEG Grant, and Licensee shall have no obligation to maintain, repair, replace or insure any equipment or facilities purchased with the PEG Grant. The PEG Grant shall not be counted against either the PEG Access Support payment or any License Fee.

5.3.2. If the Issuing Authority enters into any new or renewed cable license agreement with any other VSP which contains obligations associated with a PEG Grant or other comparable program that are lesser than the obligation set forth above, the Licensee's obligations under this Section shall be reduced, on an annual basis and upon the effective date of said agreement, to an amount equal to the lowest total payment required to be made by any VSP to the

Town or the PEG Access Designee. The relief available in the event of the foregoing is equitable relief going forward, and the Licensee shall not recover amounts already paid to the Town or the PEG Access Designee. Notwithstanding the foregoing, if at any time during the term of this License any other VSP ceases to provide cash grants to the Town and/or the PEG Access Designee in support of the production of local PEG Access Programming in accordance with the terms of its respective license agreement, then Licensee's PEG Grant obligation shall also cease. The Issuing Authority shall provide notification to Licensee within thirty (30) days of such other provider's failure to provide a cash grant in accordance with the schedule set forth in such provider's license agreement with the Issuing Authority. Equipment, services and other in kind, non-monetary contributions to the Town by such VSP shall not count towards the cash grants referenced in this paragraph.

5.3.3. *PEG Access Support:* The Licensee shall provide annual funding to the Issuing Authority or the PEG Access Designee, if designed in writing by the Issuing Authority, for PEG Access Channel operating support or other PEG Access Channel costs and expenses ("PEG Access Support") in the amount of five percent (5.0%) of the annual Gross Revenues, subject to the limitation in Section 6.2; provided that if a cable license in effect in the Town provides for a lower percentage of PEG Access Support, then the percentage of the Licensee's PEG Access Support payments shall be reduced to match such lower percentage over that same time period.

5.3.4. *Payments:* The PEG Access Support payments shall be made no later than forty-five (45) days following the end of each calendar quarter. Each PEG Access Support payment shall be accompanied by a Gross Revenue reporting form showing the basis for the computation, including the components of and exclusions from Gross Revenues. The Licensee shall be allowed to provide an extra payment if needed to correct any payments that were incorrectly omitted, or shall have the right to offset against future payments any payments that were incorrectly submitted, in connection with the quarterly remittances within ninety (90) days following the close of the calendar year for which such payments were applicable. For purposes of this Section, the period for determining Gross Revenues shall be the preceding calendar quarter. If Cable Services are provided to Subscribers in conjunction with Non-Cable Services, then the calculation of Gross Revenues shall be adjusted, if needed, to include only the value of the Cable Services billed to Subscribers, as reflected on the books and records of the Licensee in accordance with FCC rules, regulations, standards or orders.

5.4. *Recovery of Costs:* To the extent permitted by applicable federal law, the Licensee shall be allowed to recover from Subscribers the costs of the PEG Grant, the PEG Access Support and any other costs, including interconnection costs (in accordance with applicable laws and/or regulations), arising from the provision of PEG Access services and to include such costs as separately billed line items on each Subscriber's bill.

5.5. *Late Payments:* In the event that any of the PEG Grant, the PEG Access Support and/or the License Fee payments is or are not paid on or before the due date set forth in this License for such payments, then interest shall accrue from the due date until the date paid at the rate of the Prime Rate, compounded annually.

5.6. *PEG Access Channel Maintenance/Technical Standards/Performance Tests:* The Licensee shall monitor the PEG Access Channels for technical quality consistent with applicable FCC technical standards, as such standards may be amended from time to time, and shall ensure that they are maintained at standards the same as those which apply to the Cable System's commercial channels of similar format and resolution; provided that the Licensee is not responsible for the production quality of PEG Access Programming productions, nor for any deficiencies in the signal that it receives from the Town and/or the PEG Access Designee. Upon the written request of the Issuing Authority, the Licensee shall make available to the Issuing Authority a copy of the Licensee's most recent annual performance tests.

5.7. *Censorship:* The Licensee, the Issuing Authority and the PEG Access Designee shall comply with applicable laws regarding program censorship or any other control of the content of the PEG Access Programming on the Cable System.

5.8. *PEG Access Operational Rules:* The Issuing Authority and/or the PEG Access Designee shall establish rules and regulations that require all local producers and users of any of the PEG Access facilities or Channels to assume individual responsibility for any program-based liability including but not limited to liability for copyright infringement or defamation, and to hold the Issuing Authority, the PEG Access Designee, the Town and the Licensee harmless for same, subject to applicable Title VI and FCC requirements. The PEG Access Designee shall establish rules and regulations for use of PEG Access facilities consistent with, and as required by, Section 611 of the Communications Act (47 U.S.C. § 531) and this License.

5.9. *Non-Commercial Programming:* The Issuing Authority and/or PEG Access Designee shall not use the PEG Access channels to provide for-profit commercial programming. Nothing in this Section shall prohibit the Issuing Authority and/or PEG Access Designee from having memberships, sponsorships, underwriting or acknowledgements (such as underwriting and acknowledgements accepted by PBS), to the extent not otherwise prohibited by applicable law and regulation.

5.10. *No PEG Access Designee Rights:* The Issuing Authority and the Licensee herein acknowledge and agree that any PEG Access Designee is not a party to this License and that any provisions herein that may affect a PEG Access Designee are not intended to create any rights on behalf of any PEG Access Designee.

## **6. LICENSE FEES**

6.1. *License Fee:* Pursuant to Section 9 of M.G.L. Chapter 166A, the Licensee shall pay to the Town, throughout the term of this License, a license fee equal to fifty cents (\$.50) per Subscriber per year.

6.2. *Maximum License/Franchise Fee Obligation:* Any fee, tax, assessment, grant, contribution of any type (including in-kind) or expenditure paid or incurred by the Licensee under this License and/or under applicable State law in connection with the provision by Licensee of Cable Service in the Service Area is subject to classification as a "franchise fee" and the five

percent (5%) cap on such fees in accordance with Sections 622(b) and (g) of the Communications Act (47 U.S.C. § 542) and applicable federal rules and regulations.

6.3. *Payment Information:* In determining the License Fee, the number of Subscribers shall be measured as of December 31<sup>st</sup> of the preceding calendar year. The License Fee shall be paid no later than March 15<sup>th</sup> of each year during the term of this License.

6.4. *Limitation on Actions:* The period of limitation for recovery of any payment obligation under this License shall be three (3) years from the date on which payment by the Licensee is due.

6.5. *Method of Payment:* All License Fee payments by the Licensee to the Town pursuant to this License shall be made payable to the Town and deposited with the Town Treasurer.

6.6. *Other Payment Obligations and Exclusions:* Subject to Section 622(g)(1) of the Communications Act, the License Fee payments shall be in addition to and shall not constitute an offset or credit against any and all taxes or other fees or charges of general applicability which the Licensee or any Affiliate shall be required to pay to the Town, or to any State or federal agency or authority, as required herein or by law; the payment of said taxes, fees or charges shall not constitute a credit or offset against the License Fee payments herein.

6.7. *Affiliates Use of System:* Use of the Cable System by any Affiliates of the Licensee shall be in compliance with applicable State and/or federal laws.

## **7. CUSTOMER SERVICE**

7.1. *Standards:* The Licensee shall comply with the FCC's cable television customer service and notice regulations codified at 47 C.F.R. § 76.309(c), 47 C.F.R. § 76.1602, and 47 C.F.R. § 76.1603, as amended, and the billing and termination of service provisions contained in 207 CMR § 10.00, as amended; provided, however, that Licensee may satisfy the requirements of 47 C.F.R. § 76.309(c)(1)(v) through its website. Measurement of the telephone availability standards in 47 C.F.R. § 76.309(c)(1)(ii) shall include all calls received by the Licensee at all call centers receiving calls from Subscribers, whether they are answered by a live representative, by an automated attendant, or abandoned after 30 seconds of call waiting.

7.2. *Denial of Service:* Nothing in these standards shall limit the right of the Licensee to deny Cable Service for non-payment of previously provided Cable Services, refusal to pay any required deposit, theft of Cable Service, damage to the Licensee's equipment, abusive and/or threatening behavior toward the Licensee's employees or representatives, or refusal to provide credit history information or refusal to allow the Licensee to validate the identity, credit history and credit worthiness via an external credit agency, or failure to abide by Licensee's terms and conditions of service.

7.3. *Outage Credits:* In the event that all Cable Service is interrupted for twenty-four (24) or more hours, Licensee will grant affected Subscribers a pro rata credit or rebate.

## **8. REPORTS AND RECORDS**

8.1. *Open Books and Records:* Upon at least thirty (30) business days written notice to the Licensee, the Issuing Authority or its designee shall have the right to inspect Licensee's books and records pertaining to the Licensee's provision of Cable Service in the Town as are reasonably necessary to ensure compliance with the terms of this License at an office of the Licensee during Licensee's regular business hours and on a non-disruptive basis. Such notice shall specifically reference the section or subsection of this License which is under review, so that the Licensee may organize the necessary books and records for appropriate access by the Issuing Authority. The Licensee shall not be required to maintain any books and records for License compliance purposes longer than three (3) years. Notwithstanding anything to the contrary set forth herein, the Licensee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose any of its or an Affiliate's books and records not relating to the provision of Cable Service in the Town. The Issuing Authority shall take reasonable steps consistent with applicable law to protect the proprietary and confidential nature of any books, records, maps, plans or other documents requested by the Issuing Authority that are provided pursuant to this License to the extent they are designated as such by the Licensee. In the event that the Issuing Authority receives a request to disclose any information provided to the Issuing Authority by the Licensee pursuant to this License, which information is deemed by the Licensee to be confidential or proprietary, then the Issuing Authority shall promptly notify the Licensee in writing of such request, prior to disclosure of such information, consistent with applicable law, and to maintain such information as confidential and proprietary consistent with applicable law. The Licensee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. § 551.

8.2. *Records Required:* The Licensee shall at all times maintain:

8.2.1. Records of all written Complaints for a period of three (3) years after receipt by the Licensee.

Records of service calls for repair and maintenance for a period of three (3) years after resolution by the Licensee, indicating the date and time service was required, the date of acknowledgment and date and time service was scheduled (if it was scheduled), and the date and time service was provided, and (if different) the date and time the problem was resolved;

8.2.4. Records of installation/reconnection and requests for service extension for a period of three (3) years after the request was fulfilled by the Licensee, indicating the date of request, date of acknowledgment, and the date and time service was extended.

8.3. *Dual Filings*: Upon written request of the Issuing Authority, the Licensee shall provide a copy of any documents or forms filed by the Licensee with the FCC and/or the DTE that materially pertain to the Licensee's Cable System in the Town.

8.4. *Proof of Performance Tests*: Upon written request of the Issuing Authority, the Licensee shall provide a copy of proof of performance tests required by applicable law.

8.5. *Annual Performance Review*: The Issuing Authority or its designee may, at its discretion but not more than once per twelve-month period, hold a performance evaluation session. The purpose of such evaluation session shall be to review the Licensee's compliance with the terms and conditions of this License. The Issuing Authority shall provide the Licensee with thirty (30) days advance written notice of such evaluation session. The Issuing Authority shall provide the Licensee with a written report with respect to the Licensee's compliance within sixty (60) days after the conclusion of such evaluation session.

8.6. *Quality of Service*: If there exists credible evidence which, in the reasonable judgment of the Issuing Authority, casts doubt upon the reliability or technical quality of the Licensee's Cable Services in the Town, then, after notice to the Licensee and an opportunity to cure, the Issuing Authority shall have the right to require the Licensee to test, analyze and report in writing on the performance of the Cable System.

## **9. INSURANCE AND INDEMNIFICATION**

### *9.1. Insurance:*

9.1.1. The Licensee shall maintain in full force and effect, at its own cost and expense, during the term of this License, the following insurance coverage:

9.1.1.1. Commercial General Liability Insurance in the amount of six million dollars (\$6,000,000) per occurrence for property damage and bodily injury and six million dollars (\$6,000,000) general aggregate. Such insurance shall cover the construction, operation and maintenance of the Cable System, and the conduct of the Licensee's Cable Service business in the Town.

9.1.1.2. Automobile Liability Insurance in the amount of two million dollars (\$2,000,000) combined single limit each accident for bodily injury and property damage coverage.

9.1.1.3. Workers' Compensation Insurance meeting the statutory requirements of the Commonwealth of Massachusetts and Employers' Liability Insurance in the following amounts: (A) Bodily Injury by Accident: \$100,000; and (B) Bodily Injury by Disease - each employee: \$100,000; \$500,000 disease-policy limit.

9.1.2. The Town shall be included as an additional insured as their interests may appear under this License on the Commercial General Liability Insurance and Automobile Liability Insurance required herein.

9.1.3. Upon receipt of notice from its insurer(s) the Licensee shall provide the Issuing Authority with thirty (30) days' prior written notice of cancellation of any required coverage.

9.1.4. Each of the required insurance policies shall be with insurers qualified to do business in the State of Massachusetts, with an A.M. Best Financial Strength rating of A- or better.

9.1.5. Upon written request, the Licensee shall deliver to the Issuing Authority Certificates of Insurance showing evidence of the required coverage.

9.2. *Indemnification:*

9.2.1. The Licensee shall, at its sole cost and expense, indemnify and hold harmless the Issuing Authority, the Town, its officials, boards, commissions, committees, agents and/or employees against all claims for damage, including without limitation damage to Persons or property, real and personal, due to the actions of the Licensee, its employees, officers or agents arising out of the installation, maintenance and/or operation of the Cable System under this License. Indemnified expenses shall include all reasonable attorneys' fees and costs incurred by the Town up to such time that the Licensee assumes defense of any action hereunder. The Issuing Authority shall give the Licensee written notice of its obligation to indemnify and defend the Issuing Authority within ten (10) business days of receipt of a claim or action pursuant to this section.

9.2.2. With respect to the Licensee's indemnification obligations set forth in Section 9.2.1, the Licensee shall, at its own expense, provide the defense of any claims brought against the Town by selecting counsel of the Licensee's choice to defend the claim, subject to the consent of the Issuing Authority, which shall not unreasonably be withheld. Nothing herein shall be deemed to prevent the Issuing Authority from cooperating with the Licensee and participating in the defense of any litigation by its own counsel at its own cost and expense, provided however, that after consultation with the Issuing Authority, the Licensee shall have the right to defend, settle or compromise any claim or action arising hereunder, and the Licensee shall have the authority to decide the appropriateness and the amount of any such settlement. In the event that the terms of any such settlement includes the release of the Town and the Town does not consent to the terms of any such settlement or compromise, the Licensee shall not settle the claim or action but its obligation to indemnify the Town shall in no event exceed the amount of such settlement.

9.3. *Performance Bond.* The Licensee shall maintain, without charge to the Town, throughout the term of the License a faithful performance bond running to the Town, with good and sufficient surety licensed to do business in the State in the sum of Fifty Thousand Dollars (\$50,000). Said bond shall be conditioned upon the faithful performance and discharge of all of

the obligations imposed by this License. The performance bond shall be effective throughout the term of this License and shall be conditioned that in the event that the Licensee shall fail to comply with any one or more provisions of this License, or to comply with any order, permit or direction of any department, agency, commission, board, division or office of the Town having jurisdiction over its acts, or to pay any claims, liens or taxes due the Town which arise by reason of the construction, upgrade, maintenance and/or operation of the Cable System, the Town shall recover from the surety of such bond all damages suffered by the Town as a result thereof, pursuant to Article 11 below. Said bond shall be a continuing obligation of this License, and thereafter until the Licensee has satisfied all of its obligations to the Town that may have arisen from the grant of the License or from the exercise of any privilege herein granted. In the event that a performance bond provided pursuant to this License is not renewed or cancelled, the Licensee shall provide a new performance bond pursuant to this Section within thirty (30) days of such failure to renew or cancellation. Neither cancellation, nor termination nor refusal by the surety to extend the bond, nor the inability of the Licensee to file a replacement bond or replacement security for its obligations under this License, shall constitute a loss to the Town recoverable under the bond. Neither this section, any bond accepted pursuant thereto, or any damages recovered thereunder shall limit the liability of the Licensee under the License. Recourse by the Town of remedies available under this Section shall not be exclusive of other lawful remedies available to the Town at law and equity.

#### **10. RENEWAL OF LICENSE**

The Issuing Authority and the Licensee agree that any proceedings undertaken by the Town that relate to the renewal of this License shall be governed by and comply with the provisions of Section 626 of the Communications Act, 47 U.S.C. § 546, and M.G.L. Chapter 166A. The Town shall notify the Licensee of any ascertainment proceedings conducted pursuant to Section 626 of the Communications Act, and shall provide the Licensee with a copy of the record of such proceeding.

#### **11. ENFORCEMENT AND TERMINATION OF LICENSE**

11.1. *Notice of Violation:* If at any time the Issuing Authority believes that the Licensee has not complied with the terms of this License, the Issuing Authority shall informally discuss the matter with the Licensee, however the Issuing Authority reserves the right to inform the Licensee of such non-compliance in writing prior to informal discussions. If such informal discussions do not lead to resolution of the problem in a reasonable time, the Issuing Authority shall then notify Licensee in writing of the exact nature of the alleged noncompliance (for purposes of this Article, the “Noncompliance Notice”).

11.2. *The Licensee’s Right to Cure or Respond:* The Licensee shall have thirty (30) days from receipt of the Noncompliance Notice to: (i) respond in writing to the Issuing Authority, if the Licensee contests (in whole or in part) the assertion of noncompliance; (ii) cure such noncompliance; or (iii) in the event that, by its nature, such noncompliance cannot be cured within such thirty (30) day period, initiate reasonable steps to remedy such noncompliance,

continue such efforts until said noncompliance is cured, and notify the Issuing Authority at no more than twenty-one (21) day intervals as to the Licensee's efforts and progress to remedy such noncompliance. Upon a jointly agreed upon cure of any noncompliance by the Issuing Authority and the Licensee, the Issuing Authority shall provide the Licensee with written confirmation that such cure has been effected.

11.3. *Public Hearing:* In the event that the Licensee fails to respond to the Noncompliance Notice pursuant to the procedures set forth in Section 11.2 above, and if the Issuing Authority seeks to continue its investigation into the alleged noncompliance, then the Issuing Authority shall schedule a public hearing. The Issuing Authority shall provide the Licensee at least thirty (30) days prior written notice of such public hearing, which will specify the time, place and purpose of such public hearing and whether revocation of this License is a possible consequence. At any designated public hearing where revocation of this License is not a possible consequence, the Licensee shall be provided a fair opportunity for full participation, including the right to be represented by legal counsel and to introduce relevant evidence. At any designated public hearing where revocation of this License is a possible consequence, the Licensee shall be provided a fair opportunity for full participation, including the right to be represented by legal counsel and to introduce relevant evidence, and shall also have the right to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the Issuing Authority, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. A complete record shall be made of such hearing. Within thirty (30) days of the close of the hearing, the Issuing Authority shall issue a written determination of its findings.

11.4. *Enforcement:* In the event the Issuing Authority, after the public hearing set forth in Section 11.3 above, determines that the Licensee is in default of any provision of this License, the Issuing Authority may:

11.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages;

11.4.2. Commence an action at law for monetary damages or seek other equitable relief;

11.4.3. Submit a claim against an appropriate part of the performance bond pursuant to Section 9.3 above;

11.4.4. In the case of a substantial noncompliance of a material provision of this License, seek to revoke this License in accordance with Section 11.5; or

1.1.1. Invoke any other lawful remedy available to the Town.

11.5. *Revocation:* In the event that the Issuing Authority determines that it will revoke this License pursuant to Section 11.4 above, the Licensee may appeal such written determination of the Issuing Authority to an appropriate court or to the Cable Division, which shall have the power to review the decision of the Issuing Authority consistent with applicable law and

regulation. The Licensee shall be entitled to such relief as the court finds appropriate. Such appeal must be taken within sixty (60) days of the Licensee's receipt of the written determination of the Issuing Authority. The Issuing Authority may, at its sole discretion, take any lawful action that it deems appropriate to enforce the Issuing Authority's rights under this License in lieu of revocation of this License.

12.10. *Entire Agreement:* This License and the Exhibit hereto constitute the entire agreement between the Licensee and the Issuing Authority, and supersede all prior or contemporaneous agreements, representations or understandings (written or oral) of the parties regarding the subject matter hereof and can be amended or modified only by a written instrument executed by both parties.

12.11. *Captions:* The captions and headings of articles and sections throughout this License are intended solely to facilitate reading and reference to the sections and provisions of this License. Such captions shall not affect the meaning or interpretation of this License.

12.12. *Severability:* If any section, subsection, sentence, paragraph, term, or provision hereof is determined to be illegal, invalid, or unconstitutional, by any court of competent jurisdiction or by any State or federal regulatory authority having jurisdiction thereof, such determination shall have no effect on the validity of any other section, subsection, sentence, paragraph, term or provision hereof, all of which will remain in full force and effect for the term of this License.

12.13. *Recitals:* The recitals set forth in this License are incorporated into the body of this License as if they had been originally set forth herein.

12.14. *No Recourse Against Issuing Authority:* Pursuant to Section 635A(a) of the Communications Act (47 U.S.C. § 555(a)), the Licensee shall have no recourse against the Issuing Authority, the Town and/or its officials, members, employees or agents other than injunctive relief or declaratory relief, arising from the regulation of Cable Service or from a decision of approval or disapproval with respect to a grant, renewal, transfer, or amendment of this License.

12.15. *FTTP Network Transfer Prohibition:* Under no circumstance including, without limitation, upon expiration, revocation, termination, denial of renewal of this License or any other action to forbid or disallow the Licensee from providing Cable Services, shall the Licensee or its assignees be required to sell any right, title, interest, use or control of any portion of the Licensee's FTTP Network including, without limitation, the Cable System and any capacity used for Cable Service or otherwise, to the Town or any third party. The Licensee shall not be required to remove the FTTP Network or to relocate the FTTP Network or any portion thereof as a result of revocation, expiration, termination, denial of renewal or any other action to forbid or disallow the Licensee from providing Cable Services. This provision is not intended to contravene leased access requirements under Title VI or the PEG requirements set out in this License.

12.16. *Interpretation:* The Issuing Authority and the Licensee each acknowledge that it has received independent legal advice in entering into this License. In the event that a dispute arises over the meaning or application of any term(s) of this License, such term(s) shall not be construed by the reference to any doctrine calling for ambiguities to be construed against the drafter of the License.

12.17. *No Third-Party Beneficiaries:* The provisions of this License are for the benefit of the Licensee and the Issuing Authority and not for any other Person.

12.18. *Counterparts:* This License may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument. Further, this License may be executed by facsimile, email, electronic signature or other electronic means, and so executed shall have the full force and legal effect as an executed original of this License.
