  1. Dan Ross from Taunton BoH present
  2. Joan Shurliff from Oak Point pointed out the problems, with doctors' information and pictures of the mold, with her home on the property. She has mold and water problems that are not being addressed. The previous use of the property was as a salvage yard. Mary Wasghky from Sen. Pacheco's office spoke to this issue as did Dan Less from AG's Office. At the present time only HUD can intervene, since the town and the BoH is not involving themselves in this issue  
To this issue, Dan Less believed that DEP needs to be involved.  
Mr. Ross, Taunton BoH, also said that there are no state regulations about mold. It was recommended that Mrs. Shurliff contact the DEP for assistance.
- The next meeting is Tuesday April 18, 2017 in Plymouth, MA

Respectfully submitted,

Sherri Sore, Recording Secretary
