- **PUBLIC FORUM**

- From Clarks Park, Fran Bergeron, wants help from AG Office for assistance with park owner. Issues are sanitation, water, sewer, etc. Mr. Less responded that the Board of Health must respond. Ms. Bergeron wants the park owner to be held accountable, but the town boards keep siding with the owner.

Clarks Park also had park rules issues. Another issue was about eviction issues from the same park. Recommendations included mediation with local housing or district court.

Rent controlled boards are local and do not have to meet, but should be responsive to park residents.
