Monroe Staffing Services, a division of Staffing 360 Solutions, Inc., has been servicing companies for almost 50 years. Clients range from Fortune 100 to new start-up organizations. They work with job seekers in an equally broad range within the light industrial business area. With offices throughout the Northeast, they make it their business to know the local employment markets and clients' industries. Monroe Staffing provides a broad range of employment services, a "best practices" approach and offers an impressive variety of career opportunities, from entry level to C level professional roles.
