RE: Application of Life Essence, Inc., for an RMD license with three retail sites

Dear Sir/Madam:

I write to reply to your agency's letter by Health Care Safety and Quality Bureau Director, Attorney Eric Sheehan, dated November 30, 2017, to me – as counsel and contact person for Life Essence, Inc., and its application with DPH for a RMD license, with three retail locations – identifying information needed by DPH to complete its evaluation of Life Essence's Management and Operations Profile.

This reply concerns the single information request in DPH's foregoing November 30 letter, as to each of the applicant's three retail locations for its RMD application. With this submission of the enclosed supplemental information, I seek DPH completion of its evaluation of Life Essence's Management and Operations Profile.

Please advise me of your receipt of this information, a prediction of how long the agency expects to take to complete this stage of the RMD application process, and whether any additional information is needed to complete your evaluation of Life Essence's Management and Operations Profile.
