Re: Management and Operations Profile
CAS - Application # 2 of 3

Dear Mr. Sheehan or To Whom It May Concern,

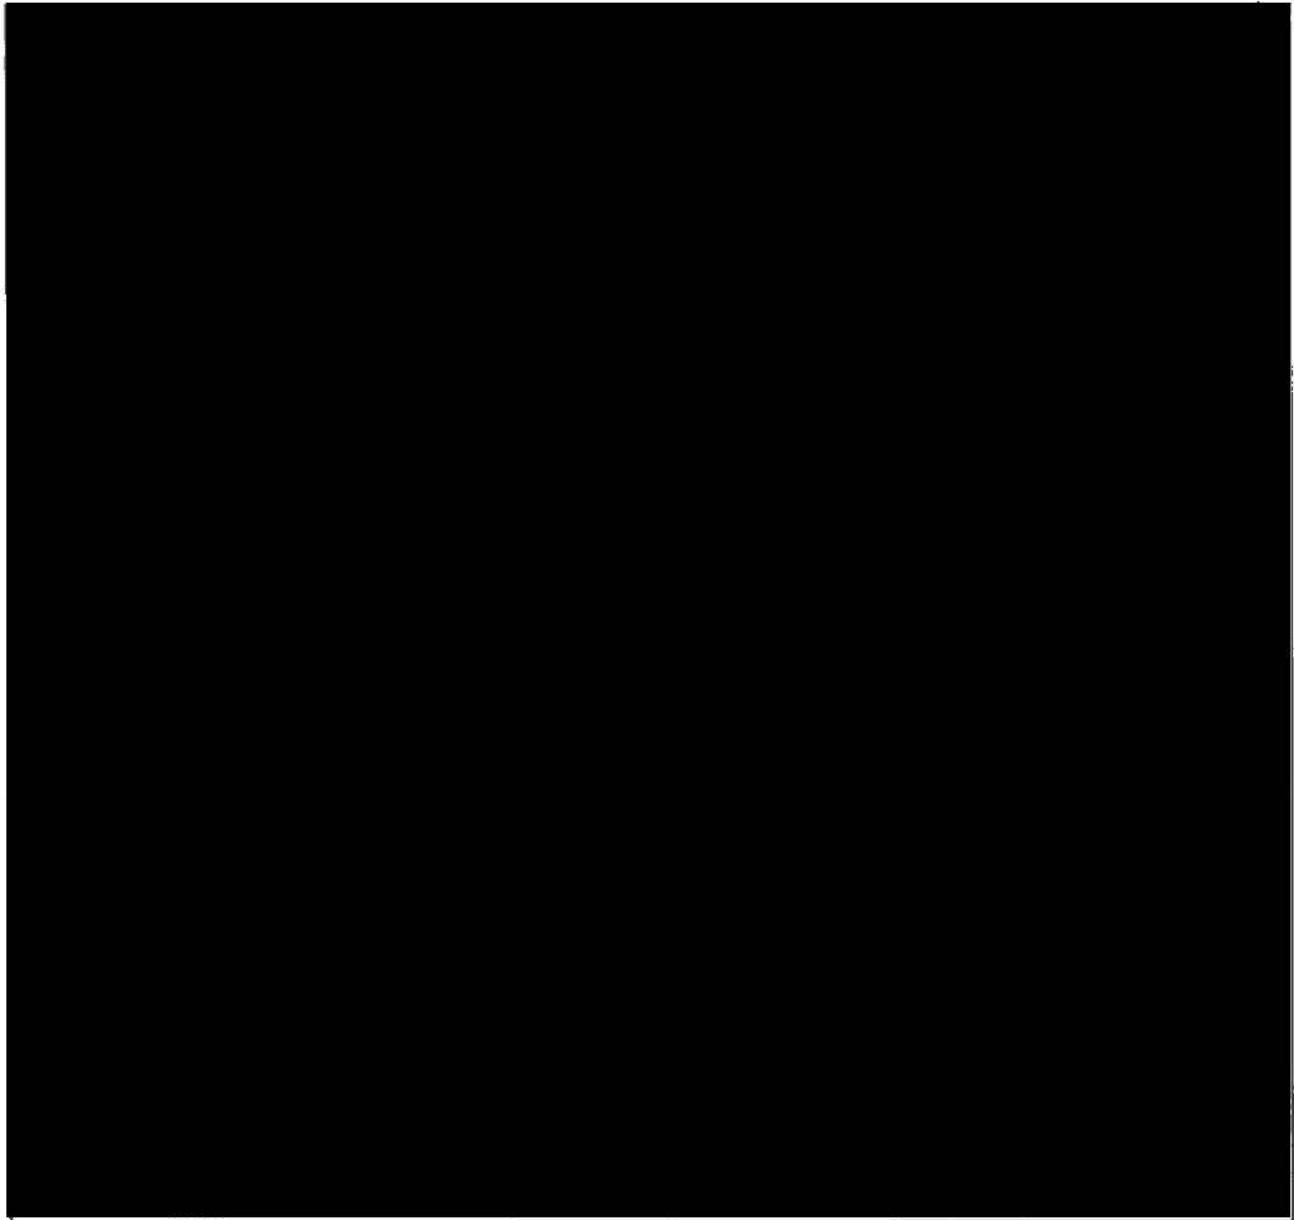

Please find attached the information you requested in your letter dated November 6, 2015.

The information pertains to Questions E.27, E. 32, and E. 36.

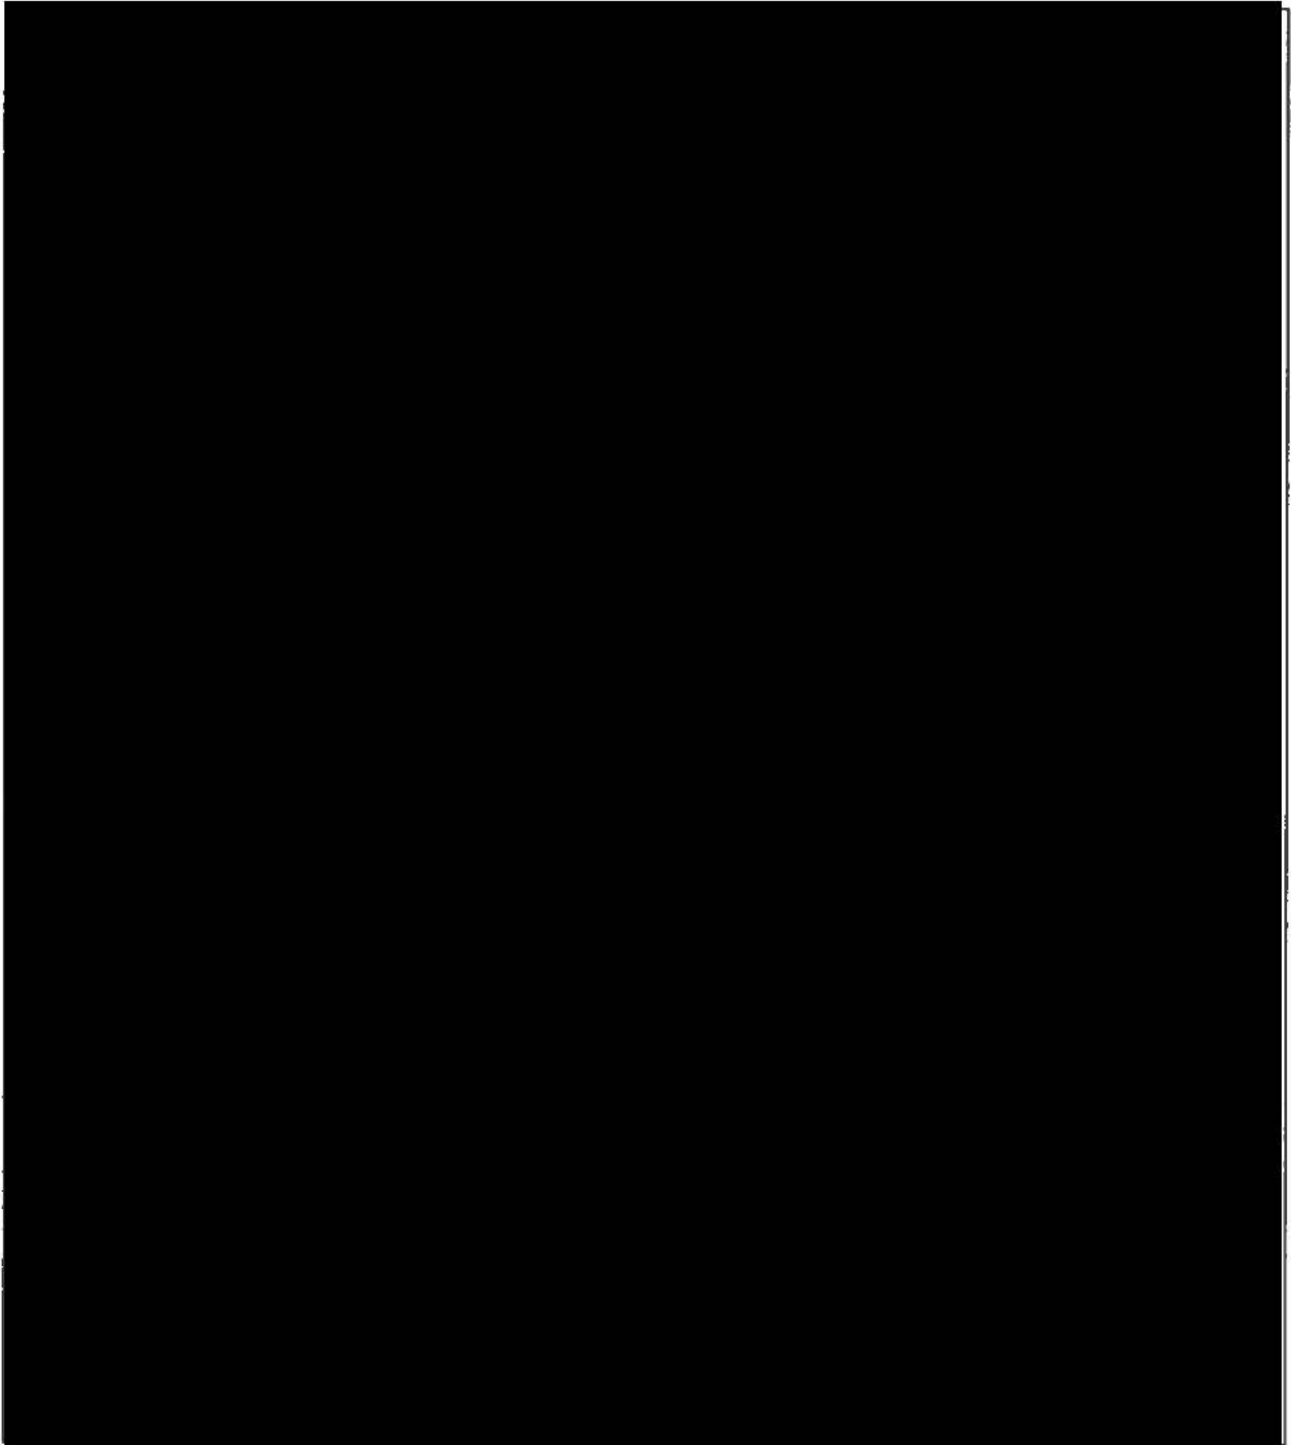

Thank you,

27. Provide a summary of the RMD's operating procedures for the transportation of marijuana for medical use.

32. Provide a summary of the RMD's operating procedures for dispensing of marijuana for medical use.

36. Provide a summary of the RMD's policies and procedures for the provision of marijuana for medical use to registered qualifying patients with verified financial hardship without charge or at less than the

Free or reduced cost medicine will be provided to any registered patient with a verified financial hardship, meaning an individual is a recipient of MassHealth, or Supplemental Security Income, or the individual's income does not exceed 300% of the federal poverty level, adjusted for family size (105 CMR 725.004).

A detailed summary of CAS's policies and procedures for the provision of marijuana to registered qualifying patients with verified financial hardship for no charge or at less than the market price, as required by 105 CMR 725.100(A)(6), is as follows;

1. Patients who earn or receive 100% or less of the FPL will qualify for a free eighth of an ounce of marijuana for medical use per week. Any amount purchased above the eighth of an ounce within that week will be discounted at 50%.
2. Patients who earn or receive between 101%-200% of the FPL will qualify for a 75% discount for an eighth of an ounce of marijuana for medical use per week. Any amount purchased above the eighth of an ounce within that week will be discounted at 50%.
3. Patients who earn or receive between 201%-300% of the FPL will qualify for a 50% discount for an eighth of an ounce of marijuana for medical use per week. Any amount purchased above the eighth of an ounce within that week will be discounted at 25%

The program will not discriminate and will be posted in English and Spanish in clearly visible locations. The program will also be posted on the company's web site.
