

## **AB201 MA Public Postsecondary Enrollment and Credential Obtainment**

AB201 contains postsecondary enrollment, progress, and outcomes of ABE students who enrolled in a MA public postsecondary institution. The report includes years to MA public postsecondary from ABE system exit, current postsecondary enrollment status, and time to obtain a 1st degree/certificate from entrance into postsecondary. The information can be viewed by: State aggregation, agency type, agency type/sites, site specialty, SABES region, LWIB region, student service type, initial age of intake, initial academic entrance level, or academic exit level.

The student population in the report includes students who exited the ABE system in the selected ABE exit fiscal year. The postsecondary status of the student is based on the selected postsecondary year.

The postsecondary institution information in the report is based on information reported to the MA Department of Higher Education (DHE) from University of Massachusetts Campuses, MA State Universities, and MA Community Colleges.

## **AB202 1<sup>st</sup> Year Postsecondary Coursework and Credit Information**

AB202 contains aggregate 1<sup>st</sup> year postsecondary course enrollment and credit obtainment of ABE students who enrolled in a MA public postsecondary institution. The report includes enrollment and credit information in developmental, ESL, and coursework that may count towards a degree for selected students and compares them to the State.

The student population in the report includes students who attended ABE for at least 12 hours and initially enrolled in a MA public postsecondary institution in the selected fiscal year.

The postsecondary institution information in the report is based on information reported to the MA Department of Higher Education (DHE) from University of Massachusetts Campuses, MA State Universities, and MA Community Colleges.
