Redevelopment of Shattuck Hospital Site on Morton Street

Public Listening Sessions

February 26, 2026

April 15, 2026

May 8, 2026

May 19, 2026

Agenda

1. Welcome and Introductions
2. Past – Present – Future
3. Seeking Community Input

Shattuck Hospital Site on Morton Street Has a Long History

1949: City of Boston transfers the site to the Commonwealth for public health use (Chapter 770).

1954: Shattuck Hospital opens. For 70+ years, the campus has served public health needs.

Over time, the building deteriorated. Renovation was determined to be too costly.

We Want Your Input

Community input sought on process and substance alike

Prompts for speakers' consideration:

- Please start by identifying yourself
- How should the state engage with your community?
 - Should the state establish something similar to the previous Community Advisory Board?
 - Who should be represented on it?
 - How should the Board's members be selected?
- How can this site best serve the public health needs of your community?
- What do you want to see coming out of this process?

"Rules of the Road"

- *Be respectful*
- *One voice at a time*
- *Stay on topic*
- *Be concise (<4 minutes)*
- *Stay solution oriented*
