Use the Assigned social security number given to you in the training email to create this person in MOSES Training database

You are the only one in the office this early morning, and you cannot believe your eyes as you see someone walking through the door. It is none other than **Harry Potter**.

You are able to fill in his name and you know him from reading a book about him that he is not a Veteran and is not eligible for other military benefits.

Upon further discussion with him, you learn that his date of birth is June 26, 1984, and that he now lives at 4 <YOUR MOSES USER ID> Drive , Wales, 01081.

His primary phone number is 401-555-8989 and he can also be reached at 401-555-3344, his cell phone. His email is harrypotter@hogwarts.edu .

He is not Hispanic and is Caucasian. He identifies himself as Male.

He is not currently employed and is actively looking for work. He does have a disability of **Vision**, and his primary language is English. He also speaks Gryffindor and Parseltongue.

Harry is currently not in school and his highest degree is a Bachelors.

He currently lives with his wife Ginny and three of their children, all of whom he is having difficulty supporting due to a substantial decrease in income.

His income for the last six months is not below $30,000, which makes Harry and his family not economically disadvantaged.

He is not a migrant farm worker, and he currently does not have a current career objective.

Harry graduated from the Hogwarts College with a Bachelor's in Meteorology in 09/2006 – 05/2010.

He does not have any other licenses or registrations.

Harry has taken on LinkedIn Learning a program on Forecasting and Monitoring the Weather; and on Coursera: Global Warming 1. Neither program is licensed, or certified.

His most recent job is that of a Traffic Technician where he worked full-time (40 hours) for SmartRoute Systems Inc. in Boston from October 10, 2009 through last Friday.

His main duty was to provide traffic information and weather services and he earned $40/hour and worked 40 hours a week. While he worked there, his Benefits were Medical Insurance and Pension Plan. He would like his employer information to be displayed on JobQuest.

Add a Note that he is looking at various career options and additional training. And an appropriate service.
