**MEMORANDUM AND ORDER ON
MOTION FOR RECONSIDERATION**

The Alcoholic Beverages Control Commission ("Commission") received a written request April 5, 2011 asking that the Commission reconsider its ruling rendered on February 23, 2011 suspending indefinitely, until a transfer of license application is approved, the above referenced Licensee's alcoholic beverages license. The request was sent by James Fortin, the last-approved owner of the license. A transfer of license application was submitted to the Commission for its approval and the Commission is prepared to approve that transfer application on certain specified conditions.

Therefore, the request for reconsideration is **ALLOWED**. The disposition is hereby reconsidered and revised to a suspension for the period of time served by the licensee. This reconsideration is based on and subject to the Commission approval of the pending license transfer application.

Furthermore, this matter will be referred to our Investigative unit for further enforcement if this license is not transferred as approved by the Commission.
