Memorandum of Understanding
Between
The Laborers' International Union of North America
And
The United Union of Roofers, Waterproofers and
Allied Workers

In an effort to eliminate jurisdictional disputes in the Construction Industry, the Laborers' International Union of North America and the United Union of Roofers, Waterproofers and Allied Workers have agreed to the following:

- ◆ All removal of roofing materials on a roof deck where roofing material is to be re-applied is the work of the roofer. This is also to include any small repairs to the decking in preparation of laying the new roof.
- ◆ All removal of roofing materials on a roof deck where no new roofing material is to be applied is the work of Laborers.
- ◆ Demolition of roof decking is the work of Laborers.

It is understood that there shall be no stoppage of work by reason of any dispute concerning the work herein covered. In the event a dispute arises, the matter shall be referred to the offices of the two International Unions for resolution. This agreement shall serve as clarification of the 1993 correspondence.
