towards his 2,400-hour Bridge requirement. Whitman Police Chief Timothy Hanlon submitted a letter explaining auxiliary officer Powers' job duties and functions. Chief Hanlon stated that officer Powers was originally appointed as an auxiliary/special police officer on February 23, 2010 and that "...Whitman Police Department Auxiliary/Special Officers are tasked with a multitude of police assignments including augmenting weekend patrol shifts and filling in for full-time officers during shift shortages." Payroll records showing auxiliary officer Powers working 3,815 "Patrol" hours were submitted in support of the request to have those hours counted.

## **V. DISCIPLINARY DISMISSAL APPEALS**

The David Bosini/WMASS appeal was heard by the Standards Subcommittee on February 15, 2023. A written decision issued on March 20, 2023.

Jim O'Brien presented Subcommittee members with a draft *Disposition Agreement Following Student Officer John Posada's Appeal of his Dismissal from the Lynnfield Police Academy.* Attorney O'Brien explained that, to his knowledge, there had never been a settlement of an appeal through a negotiated disposition agreement, and that in the past all appeals had been resolved by way of a written decision following a full hearing before the Subcommittee. However, the student officer and hiring authority in this instance were in favor of a negotiated resolution, and it had the potential to save time and resources for the Subcommittee. The five Subcommittee members in attendance expressed various concerns about resolving appeals through a negotiated settlement agreement, including:

- a) There was no past precedent for doing so, and this would establish a new precedent.
- b) Subcommittee members would not have an opportunity to hear the evidence first-hand and make their own assessment of it.
- c) The hearings are a learning opportunity for Academy Directors who make the decision to dismiss and not holding the hearing would take away that opportunity.

Although no formal vote was taken, it was clear from the feedback that the Subcommittee did not want to accept the disposition agreement and preferred to move ahead with an evidentiary hearing.

## **VI. ADJOURNMENT**

**At 10:12AM a motion was made and seconded to adjourn the Subcommittee meeting. A vote was taken, and the motion passed unanimously.**
