Administering Mobile Massachusetts Rental Voucher Program (MRVP) Vouchers

Re: **Updated Applicable Payment Standards Effective January 1, 2025**

This program notice supersedes the [MRVP Administrative Plan](#) dated August 1, 2017.

EOHLC aligned ceiling rents for **mobile MRVP vouchers** to HUD's Small Area Fair Market Rents (SAFMR), effective March 1, 2024. SAFMR sets the ceiling rent at the zip code level, instead of at an area-wide level. This means that ceiling rents better reflect market rents in a specific neighborhood, allowing voucher participants greater choice when deciding where to live. In August 2024, HUD released updated area-wide FMRs and SAFMR for FY25. Four housing agencies have since challenged FMRs for the Boston-Cambridge-Quincy, MA-NH Metro area. Until HUD has finished their reconsideration, FY24 FMR and SAFMR will continue to be used for the Boston area.

Effective January 1, 2025, the applicable payment standard (APS) for MRVP mobile voucher participants shall be equal to HUD's FY25 110% SAFMR, except as noted. Please see an attached listing by zip code, as well as an updated calculation sheet. [mass.gov/paymentstandard](https://www.mass.gov/paymentstandard) will also be updated to reflect the correct payment standards for MRVP.

- The applicable payment standard for all zip codes in the Boston area shall be 110% FY24 SAFMR.
- The applicable payment standard for all zip codes in Lynn, MA shall be 100% FY24 area-wide FMR.
- The applicable payment standard for Nantucket and Martha's Vineyard shall be 110% area-wide FY25 FMR.
- The applicable payment standard for lower and outer Cape Cod shall be 110% area-wide FY25 FMR.

The new, updated applicable payment standard applies to new admissions, relocations, rent increases, and regular recertifications effective on or after January 1, 2025. If you have already completed any actions effective on or after January 1, 2025, please review to see if the new, updated applicable payment standards would apply. If the new, updated ceiling rent applies, please redo the action and send the participant an updated tenant rent share letter at least 30 days in advance of the effective date.

EOHLC is continuing existing policies that hold households harmless if the new ceiling rent is lower than the current ceiling rent being used for the household. In other words, **except at relocation or**

change in voucher size, the housing agency shall not lower the amount of the payment standard for a continuing lease.

The new, updated applicable payment standard shall be used at regular recertification when:

- There has been a change in voucher size; or
- Applicable payment standards have increased since the household's last regular recertification.

The new, updated applicable payment standard shall be used at an interim or regular recertification when:

- Contract rent is increased; and
- Applicable payment standards have increased since the household's last tenant rent share determination.

For more information about Applicable Payment Standards and how to use them, see pages 384-386 of the PDF of the [MRVP Administrative Plan](#).

[MRVP project-based voucher maximum rents continue to be set at 100% area-wide FMR.](#)

All contract rents must be rent reasonable. Rent reasonableness shall be determined by comparing the unit to other non-assisted units in the area. Amenities, unit size, unit quality, and included utilities can affect rent reasonableness. Rent reasonableness shall be determined in a fair and consistent manner, and an owner may request documentation of why a rent was not approved.
