### **Guidelines for Bout Justification Requirement**

In accordance with 523 CMR 10.11, the Massachusetts State Athletic Commission (MSAC) is committed to ensuring that all approved fight cards feature evenly matched bouts. To aid in this process, MSAC has established the following guidelines for matchmakers when submitting a fight card for approval. Meeting any of these criteria does not automatically disqualify a proposed bout. Instead, if a combatant or proposed bout falls into one or more of these categories, matchmakers are required to submit a written bout justification for review. This justification will be considered both for the approval of the fight card and for combatant licensing.

#### **In no particular order, the categories are as follows:**

1. A combatant has experienced 3 consecutive KO/TKOs in their last three bouts.
2. A combatant has experienced 5 or more KO/TKOs in their last 10 bouts.
3. A combatant age 40 or over.
4. Either boxer has a record differential of 10 or more wins or 10 or more losses when compared to their opponent.
5. A combatant with a High-Risk Category\* (BSI of 5+) on BoxRec or CombatRegistry.
