Join us for essential training on mandated animal cruelty protocols. This course will clearly outline when reports should be made, who they should be directed to, and what actions should follow once a report is submitted. Participants will gain a comprehensive understanding of why reporting is not only ethically and morally imperative, but also a legal obligation for all professionals in animal welfare and public safety. Ensure you are up-to-date with current regulations and best practices to protect animals in your community.

Seats Are Limited – Reserve Your Spot!
Priority will be given to Hampden County based Agencies!

RSVP by November 12 to: Jessecah.Gower@sdh.state.ma.us
