2023 IRS Form 1099-R Update

The 2023 Form 1099-Rs will be mailed by the end of January and will be viewable on your PayInfo account in mid-February.

Please note: Although this is a handy item to have available for reference, the copy on PayInfo is not considered an official Form 1099-R and cannot be used to file your taxes. Therefore, hold on to the original hard copy that was mailed to you.

Please allow ample time for your Form 1099-R to be delivered via the United States Postal Service ("USPS"). You can view the USPS Service Alerts regarding mail delivery and how it may affect your area by [clicking here](#).

If you are still waiting to receive your Form 1099-R by mid-February, you can call our office at 617-367-7770. If you need to request a duplicate 1099-R from the Board, you can do so beginning on February 15, 2024.

Important reminder for retirees who turned age 59 ½ during 2023: you will receive TWO Form 1099-Rs. The retirement allowance paid up until the month before you turned age 59 ½ will be reported on one Form 1099-R using distribution code 2. The retirement allowance paid for the remainder of the year will be reported on a second Form

Board Member Theresa McGoldrick Elected for Another Term

The State Retirement Board ("Board") conducted a regularly scheduled Board Member Election during the fall of 2023 for one of the two elected positions to its five-member Board. The nomination period ended on December 28, 2023.

Ms. Theresa McGoldrick was the only candidate who was successfully nominated. Therefore, per Section G of the Board's Election Rules, "Election by Declaration," Ms. McGoldrick was declared properly elected and entitled to serve a new term beginning April 2024.

The Board is pleased that Ms. McGoldrick will continue to serve another three-year term.

1099-R using distribution code 7. Information from both forms should be used for tax reporting purposes. Note that you will also receive two Form 1099-Rs if you received a partial refund in addition to your retirement benefit.

Additionally, due to the technical limitations of PayInfo, it can only display one Form 1099-R. PayInfo displays Form 1099-Rs for members who received a monthly benefit in 2023. It does not display refund Form 1099-Rs.
