Welcome to DCR's Mt. Sugarloaf State Reservation

Offering spectacular views of the Connecticut River Valley area, Mount Sugarloaf boasts over 500 acres of park land primarily used for hiking and scenic viewing. The reservation is part of the Massachusetts state park system and is managed by the Massachusetts Department of Conservation and Recreation (DCR), an agency of the Executive Office of Energy and Environmental Affairs. DCR oversees 450,000 acres of parks, forests, beaches, bike trails, watersheds, and dams. Its mission is to protect, promote, and enhance the state's natural, cultural, and recreational resources.
