GIC MUNICIPAL EMPLOYMENT STATUS CHANGE FORM (FORM-1AMUN) INSTRUCTIONS

Use this Form-1AMUN for all employment status changes including retirement. If enrolling in GIC health insurance coverage for the first time at retirement, you must also complete and return Form-RS.

For an overview of your GIC benefit options, see your GIC Benefit Guide at mass.gov/GIC

Transfers and Terminations

Because GIC premiums are paid a month in advance, coverage terminates at the end of the following month after you leave a state agency or GIC participating municipality (for example, if you leave June 10, your coverage will end July 31). If you are hired by a state agency, authority, or participating municipality before the coverage end date, you are considered a transfer and will not be subject to the new hire waiting period. You must remain in the same health plan. For other GIC benefits, the same rule applies. If you are hired after the coverage end date, you are subject to the new hire waiting period. If an employee is terminating state service, he/she may continue GIC health coverage and must indicate the option elected. Please put the termination reason (e.g., resigned or laid off). School department employees who are ending employment at the end of the school year and have prepaid their health insurance premiums through the summer must complete the school department termination section.

Deferred Retirement

To be eligible for this benefit you must be vested and your funds must remain in a GIC participating retirement system. Any withdrawal of funds or subsequent determination of ineligibility for a pension allowance disqualifies you from deferred retiree benefits.

Retirement

If you and/or your covered spouse are age 65 or over, and eligible for Medicare Part A for free, you (and your covered spouse, if applicable) must enroll in Medicare Parts A and B to continue coverage with the GIC. If one of you (or other family members) is under age 65, the non-Medicare member(s) will be covered under a non-Medicare plan until he/she becomes eligible for Medicare coverage. Medicare plan election form will be mailed to eligible members.

If enrolling in one of GIC's Medicare Plans, you will be automatically enrolled in the GIC's SilverScript Medicare Part D prescription drug plan. After your enrollment is processed by the GIC, you will receive a mailing from SilverScript with information about the plan and advising you that you have the choice to opt out of the prescription drug plan.

IMPORTANT: The opt-out letter is required by Medicare, but we do not recommend that you do so because if you opt out of SilverScript, you will lose your GIC medical, prescription drug and behavioral health coverage. If you enroll in another non-GIC Medicare Part D plan anytime throughout the year, you will lose your GIC medical, prescription drug and behavioral health coverage.

Reminder: If you are using a work email to access the GIC's member benefit portal, MyGICLink, be sure to update your email in the member portal to an email that you will have access to after you retire.
