Police Standards

Consideration of officers' requests for waivers and exemptions from training requirements.

Bridge – 2,400 work hours requirement for out-of-scope agencies – Will the hours worked for out-of-scope agencies count toward the 2400-hour Bridge requirement?

Specific Questions:

- a. Will the hours worked for out -of -scope agencies count towards the 2,400 work hours required to Bridge?
- b. Does it depend on the type of work being done for the out -of -scope agency? (i.e. MSPCA and Animal Rescue League of Boston can be warranted under 22C, but do not fall within the authority of POST)
- c. If it depends, what is the framework staff can use to make the determination for presentation to the Standards Subcommittee?
