Quick Reference Guide

myGICLink Transformation Project

The GIC is in the midst of a significant modernization effort that will transform the agency from a heavily paper-based operation to an on-line, future driven organization.

We are adding Customer Relationship Management (CRM) and electronic signature (eSign) tools through Salesforce and DocuSign. We are calling these new capabilities **myGICLink** which is “Your link to exceptional member benefits!”

myGICLink will streamline the benefit enrollment and benefit change processes. New functionalities will include the ability to sign documents online, improved record management, and faster customer service and response times.

Form Requests

There are three ways Forms can be requested and submitted

- **Member** - Member submits a request for Form(s) on Mass.gov
- **Coordinator** - Coordinator submits a request for Form(s) on behalf of a Member from MAGIC
- **Paper-Based** - Member completes a paper Form manually and mails to GIC’s scanning vendor (GIC, PO Box 556, Randolph, MA 02368)

In this Quick Reference Guide, we will be reviewing the Member Request Process and the Coordinator Request Process.

DocuSign - Member Request Process

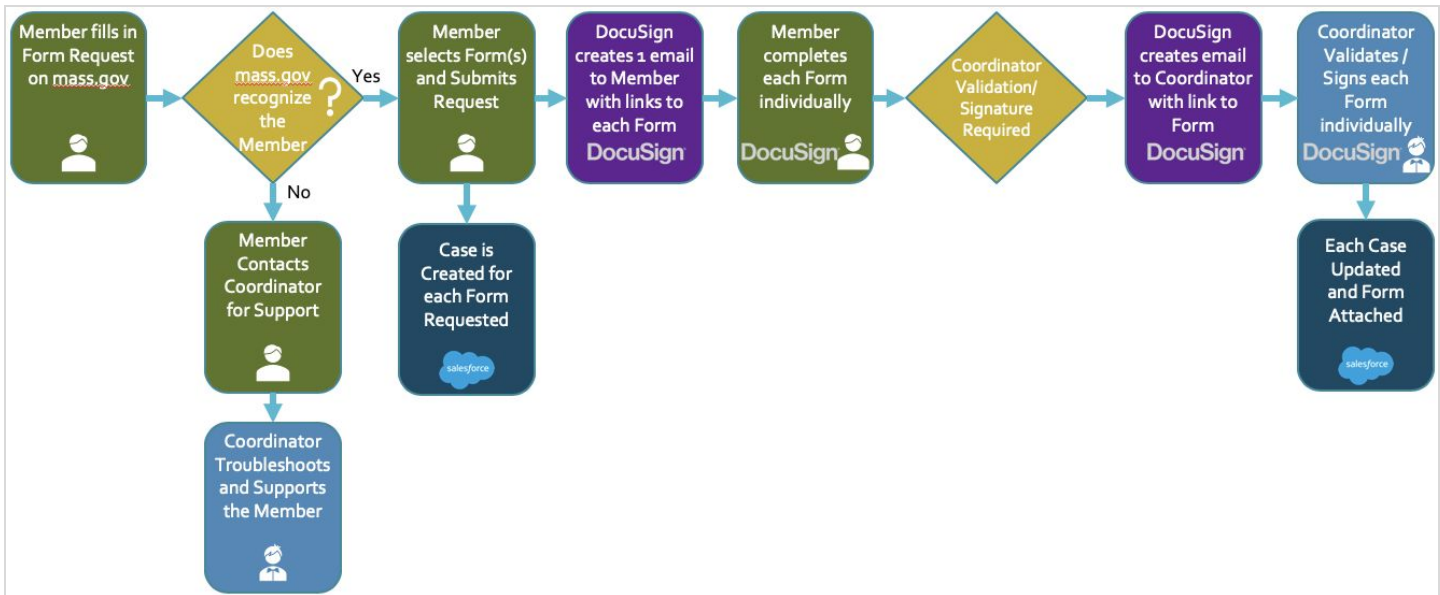

As you review the Process Flows, here are some tips to understanding the flows:

- **Green** - Actions completed by the **MEMBER**
- **Light Blue** - Actions completed by the **COORDINATOR**
- **Gold** - Decision the system makes to determine the next steps
- **Purple** - Background actions being performed by **DocuSign**
- **Dark Blue** - Background actions being performed by **Salesforce**, GIC’s new CRM

2. The system checks to see if a Member's information matches the email and birthdate in myGICLink.

- If the Member is not found in the system, or if the Member used an Email address that does not match the system, the User is prompted on the Website to reach out to the Coordinator for assistance.
 - The Coordinator will then search for the Member in MAGIC. If the Member does not exist, the Coordinator will need to start the process of populating the fields for a Form Request in the MAGIC portal.
3. If a Member is found, then the Form Request web page will be prepopulated with the Agency Name and Coordinator information. The Member will select their desired GIC Enrollment Form(s) from a dropdown list. Once the Member selects the desired Form(s), they click the **REQUEST** button.

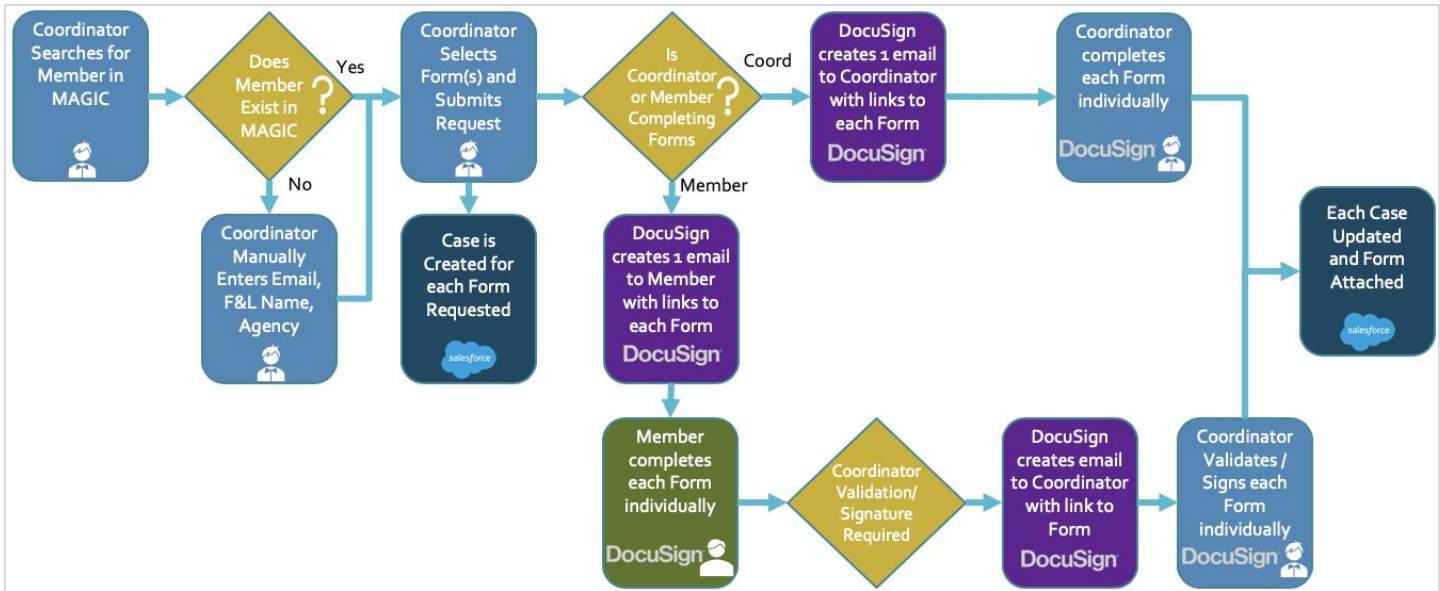

A screenshot of the Form Request web page. The form contains the following fields: "Member Email" with the value "debra.engels@mtxb2b.com"; "Member Date Of Birth" with the value "Jul 9, 1978"; "Agency" with the value "DEPT OF WORKFORCE DEVELOPMENT"; "Coordinator" with the value "Steven Henkel"; and "Choose Form" with two selected items: "Enrollment/Change - Form 1" and "Employment/Change - Form 1A". There are two yellow arrows pointing to the "Employment/Change - Form 1A" item and the "REQUEST" button. At the bottom of the form are two blue buttons: "RESET" and "REQUEST".

4. The Member will receive ONE email with links to the requested GIC Forms via DocuSign.
5. The Member will complete and submit each Form electronically with the required information and provide digital signatures.
6. At this point, the Form submitted by the Member requires review and signature from the Coordinator.
7. DocuSign will create an email to the Coordinator with a link to the Form.
8. The Coordinator will review and/or sign each Form individually and submit.
9. Upon submission GIC will have instant access to the member's enrollment forms in myGICLink.

DocuSign - Coordinator Request Process

DocuSign - Coordinator Request Process - Coordinator requests GIC Enrollment Forms on the Member's behalf

1. First, the Coordinator will access MAGIC and search for the Member.
2. Does the Member exist in MAGIC?
 - 2a. If the Member does NOT exist in MAGIC, the Coordinator will navigate to the MAGIC Home Page and click the **myGICLink** from the Home Page. The Coordinator will manually enter First Name, Last Name, Email, Member Date of Birth, and Agency.

The screenshot shows the MAGIC Group Insurance Commission form. The form includes the following fields:

- Member First Name * 1: Jerry (labeled 'a')
- Member Last Name * 1: Smith (labeled 'b')
- Member Email * 1: jerry.smith@mass.gov (labeled 'c')
- Member Date Of Birth * 1: Oct 20, 1962 (labeled 'd')
- Member Agency * 1: GROUP INSURANCE COMMISSION (labeled 'e')

3. If the Member DOES exist in MAGIC, the Coordinator will open the Member Record and click the **myGICLink** link. In the background, the system is pulling the email, Member Name, and Agency from the Member Record in MAGIC. The Coordinator will then select the desired Form(s).

Helpful Hints | Tips & Tricks | Where to Get Help

- If a Member has submitted their Form via DocuSign and forgets to attach any supporting documents, contact the Member directly and ask them to bring the documents or email them to you and you will upload to the DocuSign Form. Once the Member submits the DocuSign Form, they will no longer have access to edit or attach any documents.
- DocuSign will send emails throughout the submission process to both the Member and the Coordinator to keep you updated on the progress.
- Before you or the Member closes the DocuSign Form, you can download the Form or print the Form for future reference.
- If you launch the Request Form from the **myGICLink** on the Home Page, no information will be pre-populated. Launch the **myGICLink** from the Member Record to pre-populate the fields and save time!
