Fishing for First Timers

Confidence in the Wild: Reimagining Life Outdoors for Adults Ages 55+

Wednesday, September 30, 9:45 am to 12 pm

Confidence in the Wild is a new DCR introductory outdoor access and skills program designed for adults ages 55 and older who want to connect, or reconnect, with the great outdoors.

Join DCR and MassWildlife on September 30th for a hands-on fishing opportunity. Learn about fishing safety, fishing ethics, and how to bait and cast a fishing pole. Then enjoy some time trying to reel in your own fish in Fearing Pond, which is stocked with trout.

To register, contact Amy at (508) 272-9376 or Amy.Wilmot@mass.gov. For adults ages 55 and older. MA freshwater fishing license is not required. We will provide all instructional equipment including rods, reels, and bait/tackle. Close-toed shoes and a hat are required for safety reasons. Please arrive promptly for mandatory safety and orientation information. Dress for the weather; rain will cancel.
