The screenshot shows the MyServices.Mass.gov website. At the top, there's a navigation bar with 'ALERTS' and 'MassHealth Renewal Information'. Below this, a message states: 'Important! Your mail from MassHealth has your most up-to-date renewal information. Some renewal information may not display in MyServices. Even if you received a renewal notice in a blue envelope, MyServices might not show that you have a renewal due. Respond to any mail you have received from MassHealth. Please call MassHealth customer service (800) 641-2960, TDD/TTY: 711, if you need more information about your renewal.' The main section is titled 'MyServices' and features a 'Log In' button. A sidebar on the left lists 'My Documents' and 'My Notices'. A central image shows a family of four in a park. Below the image, a box titled 'If you already have health benefits from MassHealth or the Health Connector, log in to review.' lists: 'Eligibility status', 'MassHealth enrollment', 'Create an account to review your benefits', and 'Status of documents submitted'. A 'Log In' button is also present. Below this, a message says: 'Sign up for an account with [Login.mass.gov](#) to access your information.' At the bottom, a section titled 'Select an action below to review recent activity and important messages about your account.' contains three buttons: '2 Request For Information', '0 MassHealth Forms to be completed', and '0 No Renewal due at this time'. Below these is a section for 'Eligibility and MassHealth Enrollment' with the text 'You're eligible for:'.
