

MassHealth and Health Connector members can access their information online!

With MyServices, you can:

- Easily view your contact info, current coverage, MassHealth ID card, certain MassHealth notices, and more
- Get alerts about important events and actions you need to take
- Have 24/7 access to your MassHealth or Health Connector account

Learn more:

www.mass.gov/aboutmyservices

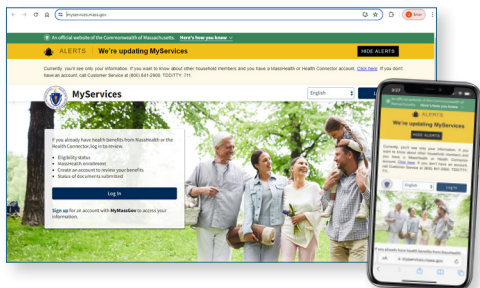

All MassHealth and Health Connector members have access to MyServices.

Logging in is easy!

Use your existing MAMLogin or MyMassGov account

No account? Create a new account online at myservices.mass.gov

Mobile app available on Android and iOS

Get important information all in one place

My Info

- Review your contact info and make sure it is up to date

My Benefits

- Review the program(s) you are eligible for and the status of your MassHealth enrollment

My Documents

- Did you recently send a document to MassHealth? Find out if we received it

My Notices

- Review certain MassHealth notices and voter registration information online
