Summary of Ratings

Employment and Day Supports Areas Needing Improvement on Standard not met - Identified by DDS

Indicator #	L1
Indicator	Abuse/neglect training
Area Need Improvement	None of the individuals had received annual training in how to report alleged abuse or neglect. The agency needs to ensure all individuals receive training on an annual basis, and continue to ensure guardians are provided with information on how to report alleged abuse/neglect.
Process Utilized to correct and review indicator	<p>NLG will add one of the following objectives to members' DHSP objectives annually, depending on the specific members' skill level. This objective will then be targeted on a regular basis during the member's time at the Program.</p> <p>Member will learn about "DPPC" by being able to expressively answer with what the acronym stands for and what the organization does for them with 100% accuracy across 4 consecutive opportunities.</p> <p>Member will learn to identify safe and unsafe situations with 100% accuracy across 4 consecutive opportunities.</p> <p>Member will identify safe and unsafe situations and tell their therapist an appropriate solution as to how they could solve the issue with 100% accuracy across 4 opportunities.</p> <p>Member will discriminate between known individuals and strangers and identify whether they can go with them or not with 100% accuracy for 4 consecutive opportunities.</p> <p>After learning about the function of DPPC, member will expressively be able to identify what abuse or neglect is with 100% accuracy across 4 consecutive opportunities.</p> <p>Member will determine what a mandated reporter is and who in their life is a mandated reporter and will do with 100% accuracy across 4 consecutive opportunities.</p>
