Happy Correctional Staff Week!

Thank you for all you do every day to keep our DOC facilities and the people of Massachusetts safe and secure!

We are grateful for all of your hard work!

In honor of Correction staff week, the Office of the Ombudsman would like to gift you with a reusable water bottle. We will be delivering water bottles for all of the correction staff to your facilities this week. Please be sure to get one of them and to use it to stay hydrated at work and at home!

We honor you for all you do!

Best,

The Office of the Ombudsman
