Dear Clayton:

In accordance with 333 CMR 11.00 Rights of Way Management, National Grid is submitting the 2025 Right-of-Way Yearly Operational Plan (YOP). The YOP identifies rights-of-way proposed for vegetation maintenance treatments with herbicides in 2025.

Below is a weblink which will have the 2025 YOP and 2025 Maps

Also, enclosed is a list of municipalities for the EMN notice.

If you have any questions, or require additional information, feel free to call me at 781-290-8310.

Sincerely,

Mariclaire Rigby
