National Council Licensure Examination (NCLEX®)
ACCOMMODATION REQUEST FORM

To request NCLEX accommodations, qualified licensure by examination applicants with a disability (as defined by the Americans with Disabilities Act [42 U.S.C. § 12101]) must complete the following NCLEX ACCOMMODATION REQUEST FORM.

Accommodations Request Submission Requirements:

1. Please be sure to complete all sections and provide required documentation. When information is missing or the required documentation is not provided delays may occur. An email will be sent from PCS identifying the missing information/documents.

2. This form and the required supporting documentation must be uploaded with your Application for Licensure by Exam.

3. Please be sure to indicate the accommodation request on the Application for Licensure by Exam.

4. The accommodation request must be approved before scheduling an NCLEX appointment.

5. You will receive written confirmation of your approved accommodations by email.

6. Repeat candidates must submit only section A of this form with each application for reexamination. Any modifications to the original request require submission of a new accommodation request and supporting documentation.

7. Section B must be completed by a practitioner authorized to diagnose the condition that establishes the basis for the accommodation request.

8. A copy of the most recent evaluation related to the diagnosis and applicable testing results must accompany the accommodation form for the request to be considered complete.

9. Section C must be completed by the Nursing Education Program.

Please note:

- testing centers do not give the NCLEX as a paper and pencil test;
- items that are categorized as comfort aids do not require pre-approval, please see appendix A for a full list;
- psychiatric/mental health disorders, including anxiety/panic disorder and hyperactive disorder, must cite specific Diagnostic and Statistical Manual (DSM) recognized diagnoses;
- English as a second language is not recognized for protection under the ADA; and
- an Individualized Education Plan (IEP) is not sufficient documentation.
