**Neponset Spray Deck Design Options
Public Meeting
Monday February 26th, 2024 @ 6pm – 7:30pm**

Location: Florian Hall, 55 Hallet Street, Boston MA 02124

At this public meeting, the project team for DCR's Neponset Spray Deck project will present up-to-date design options to the public. There are two alternative design options DCR is proposing - both reflect community input regarding desired retention of site size with slight variations, distinguishing the two from each other.

The public will be invited to ask questions and provide feedback on the presentation. After the meeting, the presentation will be available for viewing at <https://www.mass.gov/dcr/past-public-meetings>. DCR encourages the public to share additional feedback, with a deadline for receipt of comments by DCR of March 11th, 2024. Comments may be submitted online at <http://www.mass.gov/dcr/public-comment>. Please note that the content of comments you submit to DCR, along with your name, town, and zip code, will be posted on DCR's website. Additional contact information required when commenting, notably email address, will only be used for outreach on future updates on the subject project or property.
