At this virtual public meeting, the DCR team for the Neponset to Blue Hills Feasibility Study project will provide an overview of the proposed project area and lead a discussion of the feasibility study. The purpose of this meeting is to gather initial input from the community and to lay the groundwork for evaluating options to connect these recreational facilities.

The public will be invited to ask questions and provide feedback on the presentation, using the Q&A functionality that will be available through the virtual participation platform. After the meeting, the presentation will be available for viewing at <https://www.mass.gov/dcr/past-public-meetings>. DCR encourages the public to share additional feedback, with a deadline for receipt of comments by DCR of October 4th, 2022.
