Dear Sean:

On behalf of the Select Board of New Braintree and all the Town residents, I am writing to extend our gratitude to the Commonwealth for the awarding of the Community Compact.

Most of our funds were used to assist the Quabbin Regional School District in the forming of a Task Force and the hiring of the Collins Institute; however, a good portion was used to provide for our residents a Distracted Driving program which was held yesterday, June 13th, at the New Braintree Town Hall.

Office Timothy Weldon and another trooper/instructor from the Massachusetts State Police came to present an excellent talk over an hour long, providing good, solid information on how to avoid distracted driving, what constitutes distracted driving and what the rules, regulations and fines are for distracted driving in the state. Everyone present was thoroughly impressed, not only with the presentation, but with the obstacles faced daily by our officers. We were given an excellent hand-out on the Safe Driving Law which we will be giving out at our Annual Town Meeting to be held this coming Monday, June 19th.

Again, we are so appreciative of the opportunities provided to us by the Community Compact. Should you have any questions, please do not hesitate to contact me.

Cordially,

Katie J. Tyler
Town Administrator
