

## NEW FIRE CODE ORIENTATION

This course is specifically designed for fire prevention officers and is an exciting opportunity to receive an exceptional orientation to the 2015 updates to 527 CMR 1.00.

Personnel who will be working with the Massachusetts Comprehensive Fire Safety Code should attend this training. The student will learn major changes between the previous and present editions of NFPA 1 and the Massachusetts amendments. Students will be provided a basic understanding of the significant changes that have occurred in the model fire code, with Massachusetts amendments, known as 527 CMR 1.00.

The course consists of three (3) hours of classroom time.

Information in the NFPA 1: Fire Code is addressed.
