Subject: New MassWorkforce Website

Purpose: To notify Local Workforce Investment Boards, One-Stop Career Center Operators and other local workforce investment partners of the new website for the Massachusetts Workforce System (www.mass.gov/massworkforce).

Background: The Massachusetts Department of Career Services (DCS) maintains a website for administrators and staff of the Commonwealth's One-Stop Career Centers and partner organizations. Beginning **June 1, 2014** DCS will begin the transition from the current site (www.massworkforce.org) to a new location on the Mass.gov platform (Mass.gov/massworkforce). While most of the content will be immediately available on the new site we anticipate it will take several weeks to migrate all 15 years' worth of content. During this transition the old site will still be available through links like the one below on the new site.

The new MassWorkforce site will continue to host the MassWorkforce Issuance Series (Policy and Informational) as well as the following information:

- Financial/Grant information including: One-Stop Career Center/Workforce Investment Board Budgets and Payment Vouchers, Notices of Obligation, Statements of Work, TEGL's and pertinent Legislation
- Current and past WIA Title I/Wagner-Peyser Act State Plans
- A list and description of all programs overseen by DCS
- The schedule for upcoming training provided by DCS
- The latest quarterly Career Center Performance Reports as well as the Annual Reports for previous fiscal years
- A Resource section will continue to include:
 - A collection of Crystal Reports
 - Career Center Seminar material
 - Labor Market Information tools
 - MassCIS material
 - Link to Work Groups (CRUG, MERLOT, Partners, etc.)

Inquiries: Please email any questions regarding the transition to the new site to Marilyn Boyle at mboyle@detma.org.
