

Overview

The Newton Corner Long-Term Planning Study will develop **long-term multimodal transportation solutions and safety improvements** to the Newton Corner I-90 Exit 127 interchange and surrounding areas along the I-90 corridor. The local study areas include the Newton Corner, West Newton, and DCR Roadway areas and nearby neighborhoods in Newton, Brighton, and Watertown. The study will develop and analyze alternatives, present recommendations, and develop an implementation plan. The study is being initiated by MassDOT's Office of Transportation Planning and builds upon the planning work completed as part of MassDOT Highway Division's Newton Corner short-term and mid-term improvements project.

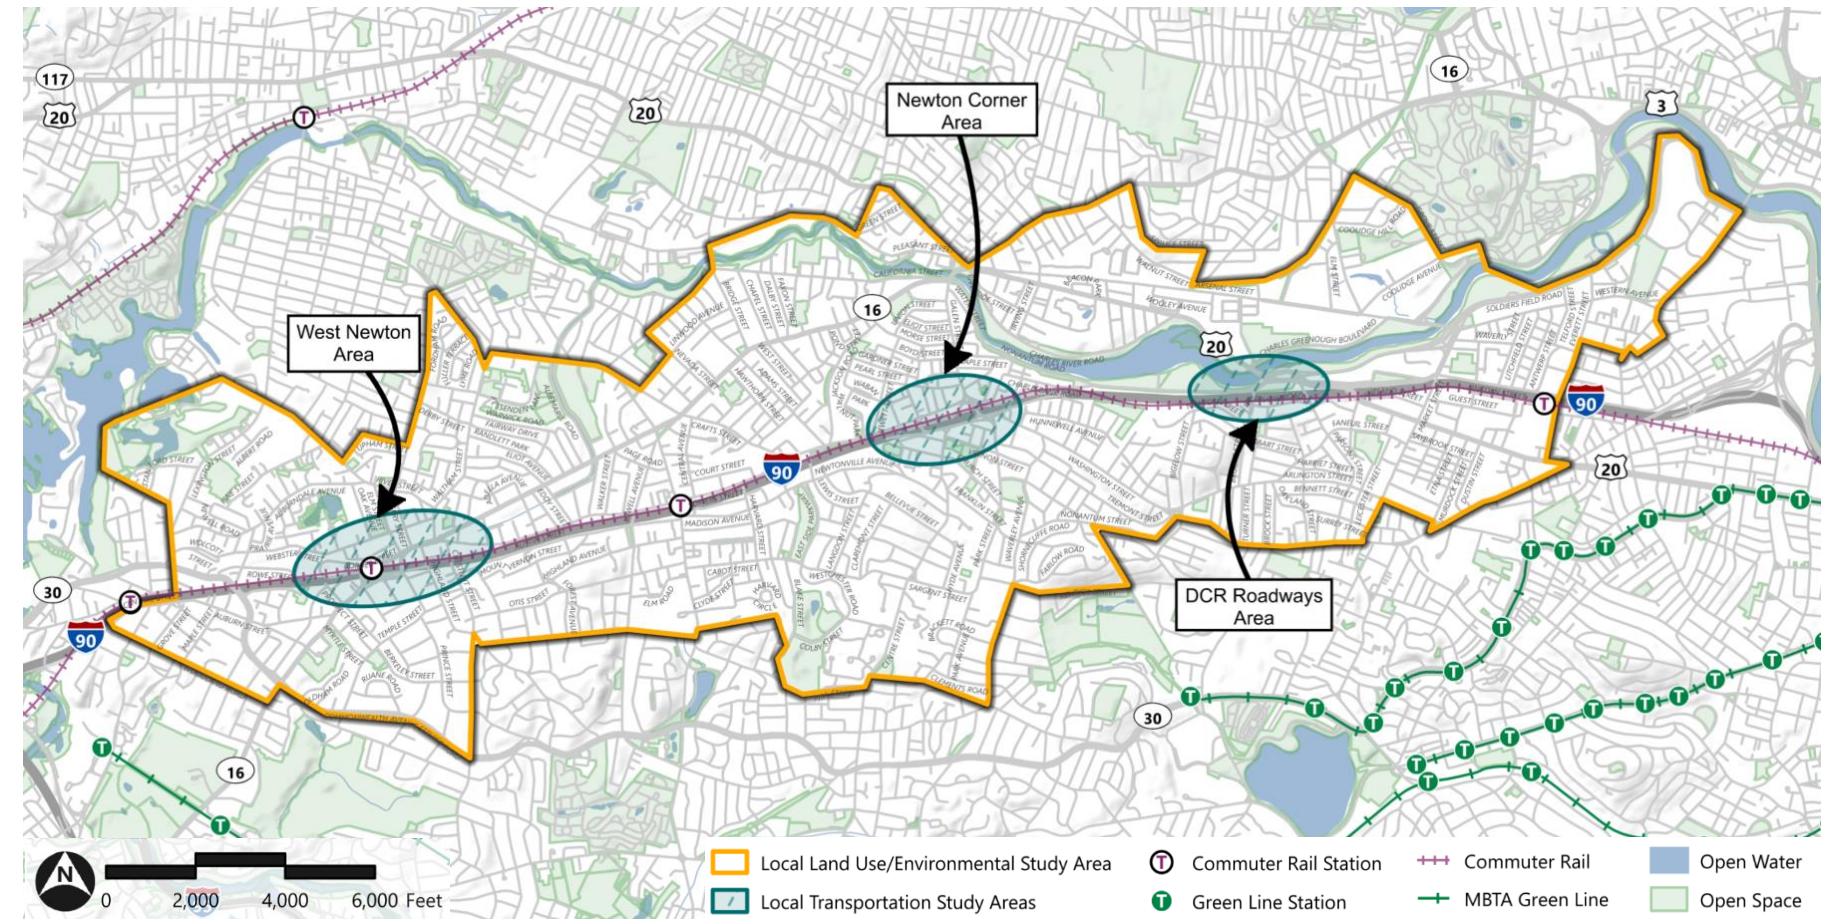

Study Goals

- Improve Access, Safety, and Mobility for All
- Reconnect Newton's Neighborhoods
- Enhance Quality of Life
- Promote Sustainable Transportation Solutions
- Develop Actionable Recommendations
