Advisory: Newton, Weston

Overnight Closure of I-90 Westbound Ramp to Park Drive

Overnight closure on night of Friday August 7, 9:00 p.m. to 9:00 a.m. the following morning

NEWTON/WESTON – The Massachusetts Department of Transportation (MassDOT) is announcing upcoming closures of the ramps from I-90 westbound exit 123B to Park Drive in Weston. This ramp will be closed during overnight hours on Friday August 7, from 9:00 p.m. to 9:00 a.m. the following morning. Ramp traffic will be shifted onto the recently constructed bridge deck when the road reopens and will be in the far-right lane.

Drivers seeking to access Park Drive from I-90 westbound will be rerouted to exit 123A, utilizing exit 39A to Route 30, then continuing westbound to Park Drive

This closure is necessary for crews to safely conduct construction operations related to the Newton/Weston bridge rehabilitation project at I-90/I-95 interchange.

Drivers traveling through the affected areas should expect delays, reduce speed, and use caution.

Appropriate signage, law enforcement details, and advanced message boards will be in place to guide drivers through the work area.

All scheduled work is weather dependent and/or may be impacted due to an emergency.

For more information on traffic conditions, travelers are encouraged to:

- Download the Mass511 mobile app or visit www.mass511.com to view live cameras, travel times, real-time traffic conditions, and project information before setting out on the road. Users can subscribe to receive text and email alerts for traffic conditions.
- Dial 511 and select a route to hear real-time conditions.
- Follow @MassDOT on X (formerly known as Twitter) to receive regular updates on road and traffic conditions.
