

## NATIONAL FIRE ACADEMY PROGRAMS AT MASSACHUSETTS FIREFIGHTING ACADEMY

### Executive Skill Series: Exercising Leadership to Facilitate Adaptive Change F0521

The purpose of this two-day course is to provide skills that individuals in positions of authority can use to exercise leadership when confronted with adaptive challenges. The goal of this course is for participants to develop an understanding of skills associated with exercising leadership to resolve adaptive problems, those problems where the solution is either unknown or requires significant change, or both.

**Audience:** Fire and emergency service personnel in positions of authority (executive level officers) who have an opportunity to exercise leadership. Line firefighters or firefighter-paramedics are not within the target audience and will not be considered.

**Note:** Participants must be minimally assigned to a supervisory level position (for example, a Company Officer).

<b>Activity Number:</b>	NFV	<b>Time:</b>	0800-1700
<b>Date:</b>	October 29 & 30, 2018	<b>Location:</b>	Massachusetts Firefighting Academy One State Road, Stow, MA

### EMS Functions in ICS F0166

This two-day course, students will practice use of the Incident Command System (ICS) in coordination with other public safety responders. As a follow-up to ICS-100 and ICS-200 training, this course will present scenarios requiring responders to structure their EMS resources within the guidance of National Incident Management System ICS, as appropriate to the needs of the different incident types. Through simulation and role-playing, students will demonstrate the implementation of EMS components in an ICS at medium- or large-sized incidents.

**Audience:** Emergency response personnel with responsibilities to implement the initial EMS functions of an ICS at medium- or large-sized incidents.

#### Pre-requisites:

ICS-100-level and ICS-200-level training. Preferred courses are Q0462 and Q0463, available through NFA Online at [www.nfaonline.dhs.gov](http://www.nfaonline.dhs.gov). Chief's signature attests that the applicant has completed this required training. IS-201 forms used for the development of the Incident Action Plan (<https://training.fema.gov/IS/>).
