

Maria ana
maambukizo
ya Kifua Kikuu
na anahisi vizuri.

Maria has TB infection and feels healthy.

Unaweza kuwa na aina
ya Kifua Kikuu na bado
ujihisi mwenye afya. Haya
yanaitwa mambukizo ya
Kifua Kikuu.

You can have a type of TB and still feel
healthy. This is called TB infection.

**Daktari wako anaweza kukupima mambukizo ya Kifua Kikuu. Iwapo una
maambukizo ya Kifua Kikuu, daktari wako anaweza kukupa dawa.**

Your doctor can test you for TB infection. If you have TB infection, your doctor
can give you medicine.
