

Walter Pringle et als } THE COMMONWEALTH OF MASSACHUSETTS
Order of Relocation } Berkshire, ss: _____
by _____ At a regular meeting of the county commissioners begun and holden at
City of North Adams } Pittsfield within and for the county of Berkshire on Tuesday, the thirty-
first day of August A.D. 1954, _____

Present, Clinton J. Foster, Chairman, _____
John F. Shea, _____
William B. Andrews, Jr., County Commissioners. _____

WHEREAS, upon the petition of Inhabitants of the City of North Adams, filed June 28, 1954, for the relocation of parts of several highways in said City of North Adams known as Main Street, Miner Street and Willow Dell Road, described as follows, viz; those parts of ways known as Main Street, lying between Church Street and a point approximately one hundred sixty (160) feet east of Pleasant Street; Miner Street from Main Street northerly about four hundred (400) feet; and Willow Dell Road from Miner Street westerly about four hundred (400) feet, be located anew and relocated by widening, an order of notice was adopted on June 29, 1954, appointing a time when and a place where the county commissioners would proceed to view the premises referred to in said petition, if expedient, and would hear all persons interested therein and take such action in relation thereto as by law they might be authorized or required to do; and

WHEREAS, Clinton J. Foster, John F. Shea and William B. Andrews, Jr., county commissioners, met in pursuance of said order on Tuesday, the twenty-seventh day of July A.D. 1954, at two-thirty o'clock in the afternoon in the City Council Chambers in the City Hall in said North Adams, the time and place appointed in said order, and heard persons interested (it having previously appeared that the Inhabitants of said North Adams and all other persons interested had been duly notified of said petition and of the time, place and purpose of said meeting in accordance with the requirements of said order) and viewed the premises; and

WHEREAS, objection having been made to said petition at the hearing held thereon, a new order of notice was adopted on said July 27, 1954, appointing a time when and a place where the county commissioners would proceed to view the premises referred to in said petition, if expedient, and would hear all persons interested therein who may desire to be heard in the manner in which the proposed relocation shall be carried out, and would take such action in relation thereto as by law they may be authorized or required to do; and

WHEREAS, Clinton J. Foster, John F. Shea and William B. Andrews, Jr., county commissioners, met in pursuance of said last named order on Tuesday, the twenty-fourth day of August A.D. 1954, at two-thirty o'clock in the afternoon, in the City Council Chambers in the City Hall in said North Adams, the time and place appointed in said order, and heard persons interested (it having previously appeared that the Inhabitants of said North Adams and all other persons interested has been duly notified of said petition and of the time, place and purpose of said meeting in accordance with the requirements of said order)

IT IS NOW ORDERED, That the said Main Street, Miner Street and Willow Dell Roads be and the same hereby are, relocated for said purpose between the termini named in said petition, the surveys of said new locations being as follows:

DESCRIPTION OF MAIN STREET

Beginning at a brass disk set at the intersection of the south line of Main Street with the approximate east line of Church Street; thence South 87°-07' East five hundred ninety-two and ninety-nine hundredths (592.99) feet to a point; thence South 84°-54' East one hundred thirty-six and fifty-one hundredths (136.51) feet to a point; thence along a curve to the left Radius 844 feet length one hundred thirty-five and fifty-two hundredths (135.52) feet to a point; thence North 85°-54' East one hundred thirty-five and forty-three hundredths (135.43) feet to a brass disk, said point being the intersection of the South line of Main Street with the West line of Pleasant Street; thence continuing in the same course North 85°-54' East thirty-three and twenty-three hundredths (33.23) feet to a point on the East line of Pleasant Street; thence North 79°-56' East one hundred thirteen and thirty-five hundredths (113.35) feet to a point; thence on a curve to the left Radius 140 feet length forty-six and ninety-six hundredths (46.96) feet to a point; thence across Main Street North 29°-17' West forty-four (44.00) feet to a point; thence southwesterly on a curve to the right Radius 96 feet length thirty-two and twenty hundredths (32.20) feet to a point; thence South 85°-12' West fifty-eight and sixty-seven hundredths (58.67) feet to a point on the South line of Miner Street; thence South 62°-14' West twenty-seven and five hundredths (27.05) feet along the South line of Miner Street to a point; thence South 85°-54' West one hundred ninety-three and forty-five hundredths (193.45) feet to the intersection of the proposed North line of Main Street which the proposed Northwesterly line of

Minor Street; thence on a curve to the right Radius 800 feet length one hundred twenty-eight and forty-six hundredths (128.46) feet to a point; thence North 84°-54' West one hundred thirty-six and fifty-one hundredths (136.51) feet to a point; thence North 85°-55' West four hundred sixty-five and eighty-nine hundredths (465.89) feet to an iron pipe; thence North 81°-58' West one hundred twenty-nine and two hundredths (129.02) feet to the intersection of the North line of Main Street with the East line of North Church Street; thence across Main Street South 3°-18'-30" West sixty-five and fifteen hundredths (65.15) feet to a brass disk and the place of beginning.

DESCRIPTION OF MINER STREET

Beginning at the intersection of the proposed northwesterly line of Miner Street with the proposed northerly line of Main Street, being the same point mentioned in the description of Main Street; thence North 85°-54' East one hundred ninety-three and forty-five hundredths (193.45) feet along the proposed Northerly line of Main Street to the proposed Southeasterly line of Miner Street; thence North 62°-14' East twenty-seven and five hundredths (27.05) feet to a point; thence on a curve to the left Radius 1144.53 feet length one hundred forty-seven and sixty-five hundredths (147.65) feet to a point; thence North 54°-50' East one hundred one and fifteen hundredths (101.15) feet to a point; thence on a curve to the right Radius 1180 feet length ninety-eight and thirty-three hundredths (98.33) feet to a point; thence across Miner Street North 30°-23' 31" West forty (40.00) feet to the proposed Northwesterly boundary line; thence Southerly on the Northwesterly line of Miner Street with a curve to the left Radius 1220 feet length one hundred one and sixty-seven hundredths (101.67) feet to its intersection with the proposed Northerly line of Willow Dell Road; thence South 54°-50' West one hundred one and fifteen hundredths (101.15) feet along the Easterly line of the proposed Willow Dell Road and the Northwesterly line of Miner Street to a point; thence on a curve to the right Radius 1104.53 feet length one hundred forty-two and sixty-five hundredths (142.65) feet to a point; thence South 62°-14' West twenty-four and fifty-two hundredths (24.52) feet to a point; thence on a curve to the right Radius 447.70 feet length one hundred eighty-four and ninety-three hundredths (184.93) feet to the proposed Northerly line of Main Street and the place of beginning.

DESCRIPTION OF WILLOW DELL ROAD

Beginning at the intersection of the proposed Northerly line of Willow Dell Road with the proposed Northwesterly line of Miner Street; thence Westerly on a curve to the right Radius 40 feet length twenty-eight and forty-seven hundredths (28.47) feet to a point; thence North 84°-23' West three hundred ten and thirty-one hundredths (310.31) feet to a point; thence on a curve to the right Radius 205 feet length one hundred two and thirty-three hundredths (102.33) feet to a point; thence South 22°-59' East thirty (30.00) feet across Willow Dell Road to a point on its Southerly line; thence Easterly on a curve to the left Radius 235 feet length one hundred eleven and thirty hundredths (111.30) feet to a point; thence South 84°-23' East two hundred fifty and fourteen hundredths (250.14) feet to a point; thence on a curve to the right Radius 15 feet length thirty-six and forty-five hundredths (36.45) feet to its intersection with the proposed Northwesterly line of Miner Street; thence North 54°-50' East one hundred and fifteen hundredths (101.15) feet along the Easterly end of the proposed Willow Dell Road and the proposed Northwesterly line of Miner Street to the place of beginning.

AND IT IS FURTHER ORDERED, That an easement or right of way for all the usual purposes of a street, road or highway be, and hereby is, taken in, over and upon fifteen (15) parcels of land situated in said North Adams, owned or supposed to be owned by the several persons hereinafter named, which fifteen parcels of land are hereinafter described.

PARCEL NO. 1. A parcel of land supposed to be owned by WALTER F. AND ROBERT J. PRINGLE, located on the northerly side of Main Street, so-called, being bounded and described as follows:—beginning at an iron pipe in the southeast corner of land of the First Methodist Episcopal Church; thence easterly ninety-three and five tenths (93.5) feet along the existing northerly line of Main Street to land of the City of North Adams (Drury High School site); thence northerly one and three tenths (1.3) feet along land of the City of North Adams to the proposed northerly line of Main Street; thence North 85°-55' West about ninety-three and five tenths (93.5) feet to an iron pipe and the place of beginning. The area of land above described contains about sixty-one (61) square feet, and is a portion of that land described in Book 352, Page 5, and recorded in the Northern Berkshire Registry of Deeds at Adams, Mass.

PARCEL NO. 2 A parcel of land supposed to be owned by CHARLES E. AND FLORA KRONICK, located on the northerly side of Main Street, so-called, being bounded and described as follows:—beginning at a point in the southeast corner of land of City of North Adams; thence easterly ninety-one and forty-five hundredths (91.45) feet along the existing northerly line of Main Street to the west line of land of Elliot and Phyllis Howe; thence northerly three and forty-three hundredths (3.43)

feet along land of said Howe to the proposed northerly line of Main Street; thence North $85^{\circ}-55'$ West about ninety-one and twenty-six hundredths (91.26) feet to a point in the easterly line of land of the City of North Adams; thence southerly two and thirteen hundredths (2.13) feet along land of said City of North Adams to the place of beginning. The area of the above described land contains about two hundred fifty-four (254) square feet and is a portion of that land recorded in Book 456, Page 32.

PARCEL NO. 3. A parcel of land supposed to be owned by ELLIOT AND PHYLLIS HOWE, located on the northerly side of Main Street, so-called, being bounded and described as follows:—beginning at a point in the southeast corner of land of Charles E. and Flora Kronick; thence easterly about seventy-six (76.00) feet along the existing northerly line of Main Street to the west line of land of Anthony and Anna Mary Deeb; thence northerly four and fifty-two hundredths (4.52) feet along land of said Deeb to the proposed northerly line of Main Street; thence North $85^{\circ}-55'$ West seventy-six and sixty-four hundredths (76.64) feet to the east line of land of Charles E. and Flora Kronick; thence southerly three and forty-three hundredths (3.43) feet along land of said Kronick to the place of beginning. The area of the above described land contains about three hundred three (303) square feet and is a portion of that land recorded in Book 474, Page 398.

PARCEL NO. 4. A parcel of land supposed to be owned by ANTHONY AND ANNA MARY DEEB, located on the northerly side of Main Street, so-called, being bounded and described as follows:—beginning at a point in the southeast corner of land of Elliot and Phyllis Howe; thence easterly about seventy-one and one-tenth (71.1) feet along the existing northerly line of Main Street to the west line of land of Harold and Susan Taskin; thence northerly five and thirteen hundredths (5.13) feet to the proposed north line of Main Street; thence North $84^{\circ}-54'$ West twenty-two and thirteen hundredths (22.13) feet to an angle point in the proposed northerly line of Main Street; thence North $85^{\circ}-55'$ West forty-eight and seventy-seven hundredths (48.77) feet more or less to the east line of land of said Howe; thence southerly four and fifty-two hundredths (4.52) feet along land of said Howe to the place of beginning. The area of the above described land contains about three hundred fifty-two (352) square feet and is a portion of that land recorded in Book 474, Page 38.

PARCEL NO. 5. A parcel of land supposed to be owned by HAROLD AND SUSAN TASKIN, located on the northerly side of Main Street, so-called, being bounded and described as follows:—beginning at a point on the southeast corner of land of Anthony and Anna Mary Deeb; thence easterly about one hundred thirty (13) feet along the existing north line of Main Street to a stone bound marking the west line of land of Joseph Giroux; thence northerly along land of Joseph Giroux one-tenth (0.1) of one foot to the proposed north line of Main Street; thence westerly on a curve to the right Radius 800 feet a distance of fifteen and ninety-three hundredths (15.93) feet; thence North $84^{\circ}-54'$ West about one hundred thirteen and eighty-seven hundredths (113.87) feet to the land of Anthony and Anna Mary Deeb; thence southerly five and thirteen hundredths (5.13) feet to the place of beginning. The area of the above described land contains about three hundred forty-six (346) square feet and is a portion of that land recorded in Book 470, Page 329.

PARCEL NO. 6. A parcel of land supposed to be owned by JOSEPH GIROUX, located on the northerly side of Main Street, so-called, being bounded and described as follows:—beginning at a stone bound marking the southeast corner of land of Harold and Susan Taskin; thence easterly fifty and forty-six hundredths (50.46) feet along the northerly line of Main Street to the west line of land of Lester and Helen Partridge; thence northerly along land of said Partridge about one (1) foot to the proposed northerly line of Main Street; thence westerly on a curve right Radius 800 feet a distance of fifty and forty-six hundredths (50.46) feet to the east line of ^{land of} Harold and Susan Taskin; thence southerly one-tenth (0.1) of a foot to the stone bound and the place of beginning. The area of the above described land contains about twenty-eight (28) square feet and is a portion of that land recorded in Book 441, Page 519.

PARCEL NO. 7. A parcel of land supposed to be owned by LESTER AND HELEN PARTRIDGE, located on the northerly side of Main Street, so-called, being bounded and described as follows: beginning at a point in the southeast corner of land of Joseph Giroux; thence easterly fifty-two (52) feet along the existing northerly line of Main Street to the west line of land of Emma M. Canedy; thence northerly about four (4) feet along land of said Canedy to the proposed northerly line of Main Street; thence westerly on a curve to the right Radius 800 feet a distance of about fifty-two (52) feet to the east of land of Joseph Giroux; thence southerly about one (1) foot along land of said Giroux to the place of beginning. The area of the above described land contains about one hundred thirty (130) square feet and is a portion of that land recorded in Book 494, Page 377.

PARCEL NO. 8. A parcel of land supposed to be owned by EMMA M. CANEDY, located on the northerly side of Main Street, so-called, being bounded and described as follows: beginning at a point in the southeast corner of land of Lester and Helen Partridge; thence easterly about seventy-two (72) feet along the existing northerly line of Main Street to the west line of land of Park G. Canedy; thence northerly about seven (7) feet along land of said Park Canedy to the proposed northerly line of Miner Street; thence southwesterly on a curve to the right Radius 447.70 feet a distance of about sixty-two (62) feet to a point on the proposed northerly line of Main Street; thence continuing along the proposed northerly line of Main Street on a curve to the right Radius 800 feet a distance of about ten (10) feet to the east line of land of Lester and Helen Partridge; thence southerly about four (4) feet along land of said Partridge to the place of beginning. The area of the above described land contains about three hundred thirty-six (336) square feet and is a portion of that land recorded in Book 352, Page 587.

PARCEL NO. 9. A parcel of land supposed to be owned by the ROMAN CATHOLIC BISHOP OF SPRINGFIELD, located on the southerly side of Main Street, so-called, being bounded and described as follows: beginning at a point in the existing southerly line of Main Street approximately fifty-five (55) feet easterly of the east line of land of C. Harold Isbell; thence easterly about two hundred fifty-one (251) feet along the existing southerly line of Main Street to the west line of land of George Robare; thence westerly on a curve to the right Radius 844 feet a distance of about one hundred fifteen (115) feet to a point on the proposed southerly line of Main Street; thence continuing along the proposed southerly line of Main Street North $84^{\circ}-54'$ West one hundred thirty-six and fifty-one hundredths (136.51) feet to the place of beginning. The area of the above described land contains about four hundred sixteen (416) square feet and is a portion of that land recorded in Book 235, Page 179.

PARCEL NO. 10. A parcel of land supposed to be owned by PARK G. CANEDY, located on the northerly side of Main and Miner Streets, so-called, being bounded and described as follows: beginning at a point in the southeast corner of land of Emma M. Canedy; thence easterly about eighty-seven (87) feet along the existing northerly line of Main Street to the existing northwesterly line of Miner Street; thence northeasterly about two hundred eighteen (218) feet along the existing northwesterly line of Miner Street to the southerly line of Willow Dell Road; thence westerly about twenty-five (25) feet along the existing southerly line of Willow Dell Road to the proposed northwesterly line of Miner Street; thence southwesterly on a curve to the right Radius 1104.53 feet a distance of about one hundred twenty-nine (129) feet to a point on the proposed northwesterly line of Miner Street; thence South $62^{\circ}-14'$ West twenty-four and fifty-two hundredths (24.52) feet to a point on the proposed northwesterly line of Miner Street; thence on a curve to the right Radius 447.70 feet a distance of about one hundred twenty (120) feet to the east line of land of Emma M. Canedy; thence southerly about seven (7) feet along land of said Emma Canedy to the place of beginning. The area of the above described land contains about three thousand six hundred eighty (3,680) square feet and is a portion of the land recorded in Book 411, Page 345.

PARCEL NO. 11. A parcel of land supposed to be owned by PARK G. CANEDY, located on the northerly side of Miner Street and Willow Dell Road, so-called; being bounded and described as follows: beginning at the intersection of the existing northerly line of Willow Dell Road and the existing northwesterly line of Miner Street; thence northeasterly about seventy (70) feet along the existing northwesterly line of Miner Street to an angle point; thence continuing northeasterly about ninety (90) feet along the existing northwesterly line of Miner Street to a point in the north end of the proposed layout of Miner Street; thence North $30^{\circ}-23'-31''$ west about thirteen (13) feet along the north end of the proposed layout to the proposed northwesterly line of Miner Street; thence southwesterly on a curve to the left Radius 1220 feet a distance of one hundred one and sixty-seven hundredths (101.67) feet to the intersection of the proposed northwesterly line of Miner Street and the proposed northerly line of the Willow Dell Road; thence on a curve to the right Radius 40 feet a distance of twenty-eight and forty-seven hundredths (28.47) feet along the northerly line of Willow Dell Road to a point; thence North $84^{\circ}-23'$ West about one hundred sixty-one (161) feet along the proposed northerly line of Willow Dell Road to the east line of land of the City of North Adams; thence southerly about thirty (30) feet along the east line of land of said City of North Adams to the proposed southerly line of Willow Dell Road; thence South $84^{\circ}-23'$ East about one hundred and nine (109) feet along the proposed southerly line of Willow Dell Road to a point; thence southeasterly on a curve to the right Radius 15 feet a distance of about twenty-two (22) feet to the existing north line of Willow Dell Road; thence easterly about thirty-five (35) feet to the place of beginning. The area of the above described land contains about seven thousand three hundred twenty-eight (7,328) square feet and is a portion of that land recorded in Book 388, Page 553.

PARCEL NO. 12. Land acquired by City of North Adams by Tax Title.

PARCEL NO. 13. A parcel of land supposed to be owned by JOHANNA DUNN, located on the north side of Willow Dell Road, so-called, being bounded and described as follows: beginning at the southwest corner of land of the City of North Adams (Williams Lot); thence north about fifteen (15) feet along the west line of land of said City of North Adams to the proposed north line of Willow Dell Road; thence west on a curve to the right Radius 205 feet about forty-four (44) feet along the proposed north line of Willow Dell Road to the east line of land of Wall-Streeter Shoe Company; thence south twelve (12) feet along the east line of land of said Wall-Streeter Shoe Company to the existing north line of Willow Dell Road; thence east about forty-four (44) feet along the existing north line of Willow Dell Road to the place of beginning. The area of the above-described land contains about five hundred ninety-four (594) square feet and is a portion of the land recorded in Book 350, Page 585.

PARCEL NO. 14. A parcel of land supposed to be owned by the WALL-STREETER SHOE COMPANY, located on the north side of Willow Dell Road, so-called, being bounded and described as follows: beginning at the southwest corner of land of Johanna Dunn; thence north about twelve (12) feet along the west line of land of said Dunn to the proposed north line of Willow Dell Road; thence west on a curve to the right Radius 205 feet a distance of about forty-four (44) feet along the proposed north line of Willow Dell Road to the east line of land of Wall-Streeter Shoe Company; thence south about (9) feet along the east line of land of said Wall-Streeter Shoe Company to the existing north line of Willow Dell Road; thence west about forty-seven (47) feet along the existing north line of Willow Dell Road to the place of beginning. The area of the above-described land contains about four hundred seventy-eight (478) square feet and is a portion of that land recorded in Book 463, Page 457.

PARCEL NO. 15. A parcel of land supposed to be owned by JOSEPH AND MARJORIE CAIN, located on the southerly side of Main Street and the easterly side of Pleasant Street, so-called, being bounded and described as follows:

Beginning at the intersection of the easterly line of Pleasant Street and the proposed southerly line of Main Street; thence North $79^{\circ}-56'$ East one hundred thirteen and thirty-five hundredths (113.35) feet along the proposed southerly line of Main Street to a point; thence on a curve to the left Radius 140 feet a distance of about forty (40) feet to the northwest corner of land of Agnes Miner Payne; thence westerly about one hundred fifty-one (151) feet along the existing southerly line of Main Street to its intersection with the easterly line of Pleasant Street; thence southerly six and nine hundredths (6.09) feet along the easterly line of Pleasant Street to the place of beginning. The area of the above-described land contains about four hundred fifty (450) square feet and is a portion of that land recorded in Book 471, Page 8.

IT IS FURTHER ORDERED, That easements be, and they hereby taken for the construction of slopes either in excavation or embankments outside of the limits of the above mentioned layout for the protection of the highway as described as follows:-

PARCEL NO. S-1. A parcel of land supposed to be owned by ANTHONY AND ANNA MARY DEEB, located on the northerly side of Main Street, so-called, bounded on the south by the proposed northerly line of Main Street, on the east by land of Harold and Susan Taskin, on the north by a line four (4) feet northerly and parallel to the proposed northerly line of Main Street and on the west by land of Elliot and Phyllis Howe.

PARCEL NO. S-2. A parcel of land supposed to be owned by HAROLD AND SUSAN TASKIN, located on the northerly side of Main Street, so-called, being bounded on the south by the proposed northerly line of Main Street, on the east by land of Joseph Giroux, on the north by a line seven (7) feet northerly of and parallel to the proposed northerly line of Main Street and on the west by land of Anthony and Anna Mary Deeb.

PARCEL NO. S-3. A parcel of land supposed to be owned by LESTER AND HELEN PART-
RIDGE, located on the northerly side of Main Street, so-called, bounded on the south by the proposed northerly line of Main Street, on the east by land of Emma M. Canedy, on the north by a line forty (40) feet northerly and parallel to the proposed northerly line of Main Street, and on the west by the easterly side of house number 229, now standing on land of Lester and Helen Partridge.

PARCEL NO. S-4. A parcel of land supposed to be owned by EMMA M. CANEDY, located on the northerly side of Main Street, so-called, bounded on the south by the proposed northerly line of Main Street, on the east by the land of Park G. Canedy, on the north by a line forty (40) feet northerly and parallel to the proposed north line of Main Street, and on the west by land of Lester and Helen Partridge.

PARCEL NO. S-5. A parcel of land supposed to be owned by PARK G. CANDEY, located on the northerly side of Main and Miner Streets, so-called, bounded on the south by the proposed north line of Miner Street, on the southeast by the proposed northwesterly line of Miner Street, on the north by the existing south line of Willow Dell Road, on

on the west by land of Emma M. Canedy.

PARCEL NO. S-6. A parcel of land supposed to be owned by PARK G. CANEDY, located on the north and northwesterly sides of Willow Dell Road and Miner Street, bounded on the south by existing north line of Willow Dell Road, on the southeast by the proposed northwesterly line of Miner Street, on the northeast by land of Quinn, on the northwest by the Hoosac River and on the west by land of the City of North Adams, except from the above described parcel of land hereinbefore taken in fee simple for the proposed relocation of Willow Dell Road.

PARCEL NO. S-7. A parcel of land supposed to be owned by JOSEPH AND MARJORIE CAIN, located on the southerly side of Main Street and the easterly side of Pleasant Street, so-called, bounded on the north by the proposed southerly line of Main Street, on the east by land of Agnes Miner Payne, on the south by a line five (5) feet southerly of and parallel to the proposed southerly line of Main Street and on the west by Pleasant Street.

All as shown on a plan this day filed with and approved by said county commissioners marked

"REVISED MAY, 1954

CITY OF NORTH ADAMS; MASS.

RELOCATION OF

MAIN ST.; MINER ST.; AND WILLOW DELL ROAD

SCALE 1" TO 40' JULY 1, 1941

CITY ENGINEER'S OFFICE

SURVEY NOTES BOOK 122 P 34-44 & BOOK 153 P 60, 68".
