Re: Motion to Intervene of the Town of North Andover and Notice of Appearance In the
~~Matter of Comcast Cable Communications February 1, 2012 cable rate filings (FCC~~
 Form 1240, and Form 1205)

Dear Secretary Williams:

Please accept this letter as the Town of North Andover's Motion to Intervene, and as Counsel's Notice of Appearance, in the above captioned matter. The Town states as grounds for its motion that the Board of Selectmen as the License Issuing Authority finds that cable rates impact License matters for which the Issuing Authority is responsible, and the public has an interest in actions taken to maintain the reasonableness of rates, and Issuing Authority participation through intervention may promote these public interest objectives. Counsel hereby certifies service to Comcast by mailing of this Motion on the date hereof. Copies of filings should be mailed to me as counsel to the Town in the matter.

Thank you for your attention to this matter. Please call if you have any questions whatsoever.

The Town of North Andover,
 By its special counsel:

 William August, Esq.

cc: Andrew Maylor, Town Manager
 George Dague, Chairman, Cable Advisory Committee
 Jane Lyman, Director Government Relations
 Mark L. Renaud, Director of Regulatory Accounting, Comcast
