Subject: Commentary from Union Hospital Ten Taxpayer Neighborhood Group on DoN #6-3C46
Significant Change

While we remain strongly opposed to the MA DPH's decision to allow the closure of our neighborhood community hospital (Union Hospital). We must support Partners Health Care's decision to live up to its original commitment to provide 120 psychiatric care beds adjacent to the region's only remaining full service hospital in Salem. This is a step in the right direction and based on the data from the DoN the correct decision and the proper course of action.
