**GRANT OF RENEWAL LICENSE**

**Section 2.1---GRANT OF RENEWAL LICENSE**

Pursuant to the authority of Chapter 166A of the General Laws of the Commonwealth of Massachusetts, and subject to the terms and conditions set forth herein, the Board of Selectmen of the Town of Norwood, Massachusetts, as the Issuing Authority of the Town, hereby grants a non-exclusive Cable Television Renewal License to the Licensee authorizing the Licensee to construct, install, operate and maintain a Cable Television System within the corporate limits of the Town of Norwood.

This Renewal License is subject to the terms and conditions contained in Chapter 166A of the laws of Massachusetts; the regulations of the FCC; the Cable Act; and all Town, State and federal statutes and by-laws of general application, as all may be amended.

Subject to the terms and conditions herein, the Issuing Authority hereby grants to the Licensee the right to construct, install, operate and maintain a Cable Television System in, under, over, along, across or upon the streets, lanes, avenues, alleys, sidewalks, bridges, highways and other public places under the jurisdiction of the Town of Norwood within the municipal boundaries and subsequent additions thereto, including property over, under or on which the Town has an easement or right-of-way, for the purpose of reception, transmission, collection, amplification, origination, distribution, and/or redistribution of Signals in accordance with the laws of the United States of America, the Commonwealth of Massachusetts and the Town of Norwood. In exercising rights pursuant to this Renewal License, the Licensee shall not endanger the lives of Persons, or unreasonably interfere with any installations of the Town, any public utility serving the Town or any other Persons permitted to use Public Ways and places.

Grant of this Renewal License does not establish priority for use over other present or future permit holders or the Town's own use of Public Ways or places. Disputes between the Licensee and other parties regarding use of Public Ways or places shall be resolved in accordance with any applicable regulations of the Town and any Town by-laws enacted hereafter.

**Section 2.2---TERM OF RENEWAL LICENSE**

The term of this Renewal License shall commence on February 2, 2014 and shall expire on February 1, 2024, unless sooner terminated as provided herein.

-Town of Norwood Cable Television Renewal License-  
February 2, 2014-February 1, 2024

**Section 2.3---NON-EXCLUSIVITY OF RENEWAL LICENSE**

(a) The Renewal License shall not affect the right of the Issuing Authority to grant to any other Person a license or right to occupy or use the Public Ways or streets, or portions thereof, for the construction, upgrade, installation, operation or maintenance of a Cable Television System within the Town of Norwood; or the right of the Issuing Authority to permit the use of the Public Ways and places of the Town for any purpose whatsoever. The Licensee hereby acknowledges the Issuing Authority's right to make such grants and permit such uses.

(b) The grant of any additional cable television license(s) shall not be on terms more favorable or less burdensome, taken as a whole, than those contained in this Renewal License. The grant of any additional cable television license(s) shall be at the sole discretion of the Issuing Authority.

(i) In the event that the Licensee believes that any additional cable television license(s) have been granted on terms and conditions more favorable or less burdensome, taken as a whole, than those contained in this Renewal License, the Licensee may request, in writing, that the Issuing Authority convene a public hearing on that issue. Along with said written request, the Licensee shall provide the Issuing Authority with written reasons for its belief. At the public hearing, the Issuing Authority shall afford the Licensee an opportunity to demonstrate that any such additional cable television license(s) are on terms more favorable or less burdensome, taken as a whole, than those contained in this Renewal License. The Licensee shall provide the Issuing Authority with such financial or other relevant information as is requested.

(ii) Should the Licensee demonstrate that any such additional cable television license(s) have been granted on terms and conditions more favorable or less burdensome, taken as a whole, than those contained in this Renewal License, the Issuing Authority shall discuss equitable amendments to this Renewal License.

-Town of Norwood Cable Television Renewal License-

Upon termination of the Renewal License by passage of time or otherwise, and unless (1) the Licensee has its license renewed for another term or (2) the Licensee has transferred the Cable Television System to a transferee approved by the Issuing Authority, pursuant to applicable law and Section 2.6, the Licensee shall remove all of its supporting structures, poles, Trunk, Feeder Line and Distribution Systems, and all other appurtenances from the Public Ways and places and shall restore all areas. If such removal is not complete within six (6) months after such termination, the Issuing Authority may deem any property not removed as having been abandoned.

**Section 2.6---TRANSFER OF THE RENEWAL LICENSE**

(a) Neither the Renewal License, nor control thereof, shall be transferred, assigned or disposed of in any manner, voluntarily or involuntarily, directly or indirectly, or by transfer of control of any Person, company and/or other entity holding such Renewal License to any other Person, company and/or other entity, without the prior written consent of the Issuing Authority, which consent shall not be arbitrarily or unreasonably withheld. Such consent shall be given only after a public hearing upon a written application therefor on forms as may be prescribed by the Cable Division and/or the FCC. An application for consent to a transfer or assignment, if required, shall be signed by the Licensee and by the proposed transferee or assignee or by their representatives, evidence of whose authority shall be submitted with the application.

(b) Pursuant to applicable federal and State law(s), in considering a request to transfer control of the Renewal License, the Issuing Authority may consider such factors as the transferee's financial capability, management expertise, technical expertise, legal ability to operate the Cable System under the existing license and any other criteria allowable under such applicable law(s) and/or regulation(s).

(c) For purposes of this Section 2.6, the word "control" shall comply with the definition of such in 207 CMR 4.01, as may be amended from time to time. Pursuant to 207 CMR 4.01(2), a transfer or assignment of this Renewal License or control thereof between commonly controlled entities, between affiliated companies, or between parent and subsidiary corporations, shall not constitute a transfer or assignment of this Renewal License or control thereof under M.G.L. c. 166A, Section 7. For purposes of this Section 2.6(c) only, under 207 CMR 4.00, an "affiliated company" is any Person or entity that directly or indirectly, or through one or more intermediaries, controls, is controlled by, or is under common control with another Person or entity.

(d) The consent or approval of the Issuing Authority to any assignment or transfer of the Renewal License granted to the Licensee shall not constitute a waiver or release of the rights of the Town in and to the streets and Public Ways or any other rights of the Town under the Renewal License, and any such transfer shall, by its terms, be expressly subordinate to the terms and conditions of this Renewal License.

(e) The Licensee shall promptly notify the Issuing Authority of any action requiring the consent of the Issuing Authority pursuant to this Section 2.6.

-Town of Norwood Cable Television Renewal License-  
February 2, 2014-February 1, 2024

(g) The consent of the Issuing Authority shall be given only after a public hearing to consider the written application for transfer. Unless otherwise allowed by applicable law(s), the Issuing Authority shall make a decision on said written application within 120 days of receipt of said application. After 120 days, the application shall be deemed approved.

(h) Any proposed controlling or owning Person or transferee approved by the Issuing Authority shall be subject to all of the terms and conditions contained in the Renewal License.

**Section 2.7---EFFECT OF UNAUTHORIZED TRANSFER ACTION**

(a) Any transfer of the Cable System without complying with Section 2.6 above shall be null and void, and shall be deemed a material breach of the Renewal License and shall be subject to Section 11.1 infra.

(b) If the Issuing Authority denies its consent to any such action and a transfer has nevertheless been effected, , the Issuing Authority may revoke and terminate the Renewal License, unless such transfer is otherwise allowable by applicable law.
