NOTICE OF FILING ANNUAL AUDIT REPORT

TracFone Wireless, Inc. (“TracFone”), by its counsel, hereby files its annual report regarding its audit to verify the eligibility of its SafeLink Wireless® Lifeline customers in Massachusetts, in accordance with the Department’s Order dated June 30, 2010. TracFone was designated as an eligible telecommunications carrier (“ETC”) by the Federal Communications Commission (“FCC”) in an Order dated April 11, 2008. TracFone petitioned the Department for waiver of the Department’s existing ETC eligibility verification process for Lifeline customers. As a condition for granting the waiver, the Department required TracFone to conduct an annual verification audit, using a random, statistically-valid sample of customers of its Safelink Wireless® Lifeline service, consistent with the FCC’s annual audit requirement at 47 CF.R. § 54.410(2). TracFone has conducted such an audit and by this filing, TracFone provides the results of the audit.

Annual Lifeline Certification & Verification

The statistical random sample was taken on June 9, 2010, by the TracFone Wireless team, for all subscribers (program-based) participating in the state of MA since its launch in December 2008. It was determined that this state followed the Federal Guidelines for Annual Verification. The total sample size base is 244.

TracFone notified all 244 subscribers in the random sample about the verification requirement multiple times via electronic mail, direct mail, SMS messages, voicemail and direct calling. After allocating most of our resources and efforts to contacting each of the subscribers in the random sample, the following results were obtained: verified 57% (140); not verified 42% (101); and ineligible 1% (3). For purposes of this letter, “verified” subscribers are those subscribers in the sample who were contacted and provided valid documentation to prove they are qualified to continue to receive Lifeline service. “Not verified” subscribers are those subscribers in the sample who TracFone attempted to contact, but did not respond to TracFone’s request for documentation, as well as subscribers that did not provide valid documentation to prove their continued eligibility for the Lifeline program. Finally, “ineligible” subscribers are those subscribers that should no longer be participants of the Lifeline benefit.

Random Sample (43)		
	Quantity	Percent (%)
Verified	140	57%
Not Verified	101	42%
Ineligible	3	1%
Total	244	100%
