NOTICE: Alexander Beauty Academy Temporary Cancellation of Classes

The Board of Registration of Cosmetology and the Board of Registration of Barbers ("the Boards") have been informed that Alexander Beauty Academy in Fitchburg has been impacted by a fire that has made its premises inaccessible as of March 5, 2015. Due to this incident, classes for both the cosmetology and barbering programs have been cancelled and students will be notified promptly regarding the new location and schedule for classes as soon as possible. Alexander Beauty Academy is actively seeking to relocate currently enrolled students to minimize disruption in the curriculum and enrollment.

The Boards will continue monitoring this situation and remain in contact with representatives of Alexander Academy to assist them in this process. Current and former students of Alexander Academy should contact the Board of Registration of Cosmetology by phone at 617-727-9940 or e-mail at Bianca.K.Hoffman@state.ma.us, the Board of Registration of Barbers at 617-727-5339 or their school administrator with any questions. More information regarding this temporary closure will be posted on this website and shared with the students as it becomes available.
