EFSB 25-10 – Proposed Rulemaking Pursuant to the 2024 Climate Act

[An Act promoting a clean energy grid, advancing equity and protecting ratepayers](#), St. 2024, c. 239 (the “2024 Climate Act”) requires the Energy Facilities Siting Board (“Siting Board”) to promulgate regulations to implement various provisions of the Act. The Siting Board will conduct a public meeting on Monday, September 8, 2025 to deliberate and vote on a Tentative Decision opening a rulemaking to consider proposed regulations. Siting Division staff previously issued for discussion purposes draft proposed regulations and guidance in July 2025, and conducted a public Siting Board meeting to hear comments on the draft proposed regulations. Based on comments received, Siting Division staff revised the proposed regulations.

At the September 8, 2025 public meeting, the Siting Board will hear staff presentations on the proposed regulations and related guidance documents. The Siting Board will hear public comment as time allows. The Siting Board meeting on September 8 is the beginning of a formal rulemaking process that will include further opportunities for written and oral comment. The Siting Board will provide information on that rulemaking process after the Siting Board meeting.

The Tentative Decision, and proposed regulations and guidance documents will be posted on the Siting Board’s webpage for this proceeding: <https://www.mass.gov/info-details/efsb-25-10-proposed-rulemaking>. The Siting Board will continue to update the webpage during the rulemaking proceeding.

The Siting Board meeting will be both in-person and on Zoom on Monday, September 8, 2025, at 10 a.m.

In-person meeting location: One South Station, Boston, MA 02110, 3rd floor, Large Hearing Room. Building security requires a government-issued photo ID. Nearby transit station: South Station (Red Line).
