SUBJECT: MassHealth: Rates for MassHealth Personal Care Attendant Services

AGENCY: Massachusetts Executive Office of Health and Human Services

SUMMARY: MassHealth Proposed Rate Changes for Personal Care Attendant Services
Effective July 1, 2025

Description of Changes

The following proposed rate changes for personal care attendant (PCA) services are effective for dates of service provided on or after July 1, 2025.

Beginning on July 1, 2025, PCA rates contain seniority steps that are based on the hours worked since 2008 as a PCA in the MassHealth PCA program, subject to completion of, or exemption from, new hire orientation (NHO). These rates and rules follow the terms of the collective bargaining agreement negotiated between the Commonwealth of Massachusetts and the PCA union (1199SEIU) and are in accordance with 101 CMR 309.00: *Rates for Certain Services for the Personal Care Attendant Program*.

There are five different seniority rate pay steps. To be eligible for these seniority rate pay steps, a PCA must either have taken NHO or be exempt from it.

The PCA rates are provided below.
